TENTH ANNUAL EXPRESSIONS ART EXHIBIT:
July 13 - August 10, Heritage Hall

Express your joy, hope, gratitude, grief, fear, doubt, faith, your culture. Express through paintings, small sculptures, photography, poetry, song, video, clay, glass, writing, collage, textile arts, and many more! All ages are welcome to display their art. The intention for this exhibit is for it to be a safe place to share art whether from masters or beginners. The last nine exhibits have shown us that art shared together is powerful. It uplifts, encourages and inspires us as a family of faith. Please plan to contribute and to invite your friends as well. Others who are not members of CHBC are welcome to exhibit. *If you have an artistic "eye" for display, room arrangement, and design, we would greatly appreciate you sharing your gifts by helping us to set up the room and the art. Call Alice Adams or Steven Cole!*

Want to display some art?

1) Fill out an information form for each piece to be displayed. These are located in the church office or Birchwood Lobby. Attach the form to your art.
2) Bring your art to the church 9:00 AM – 5:00 PM, Monday through Friday and on Sundays, June 29 – July 6. They need to be at the church no later than Friday, July 11. They will be stored in the supply closet near the choir room until they can be set up.
3) Come view the exhibit and bring your friends! Sundays 12:00 – 1:00 PM, July 13 (Opening Day), 20, 27, and August 3, 10 (closing).
4) Pick up your art on Sunday, August 10 – giving time for a final viewing after worship is over on that day.

UPCOMING WEDNESDAY EVENINGS

THERE WILL BE NO EVENING ACTIVITIES FOR THE NEXT TWO WEEKS – July 9 and 16. Beginning July 23 we will resume informal time of fellowship with bring-your-own brown bag suppers around the tables during the 5:00 hour. During the 6:00 hour our summer interns will report.

SUGGESTIONS FROM THE SOCIAL JUSTICE TEAM

1) SAVE THE DATE! October 18-19. Carrie Newcomer Concert, Workshop, and Sunday Worship
2) Social Justice movies will resume in September.
3) Consider a rechargeable battery run lawnmower: one way to help care for God's creation for future generations.
   **17 million gallons of gasoline are spilled refueling lawn mowers in the U.S. every year
   **800 million gallons of gasoline are used mowing lawns in the U.S. every year
   **270 million tons of pollutants are emitted into the air from lawn and garden equipment every year
   (statistics from Neuton lawn mower company, Vergennes, VT)
