From Your Governor

Well, here we go again – in a weak moment, I agreed to serve as your governor for 2014-15. I view the coming year as a challenge. We are gaining some younger members, and this is the life blood of any organization. BUT, even though you served several years ago or were on a committee for ages, we still need

your recommitment to YOUR Lodge.

I accepted this position as Governor because we have a full, dedicated hard working Board. Please take time to thank all the Board Members who try so hard to make everyone happy and keep the doors open. And, if you aren't aware, our Administrator Bryan Hudson works many hours each week with NO compensation. A special thanks to him for his great sacrifice and dedication.

I want to specifically point out a FUN time that has been created in your Lodge – every Monday from 4:00 – 7:00 pm; we light candles on the bar and shut off the TV, lower all the lights and have really been enjoying “Candlelight Service.” Please come join us!!

Most of our snowbirds have returned and we appreciate having them back! Call a friend or someone you haven't seen in a while and come join us at the Moose.

I hope many of you will be able to attend the District Meeting the 4th of May, as it is also a Memorial Service for those who passed during the past year. Sadly, we lost several members during 2013-14 and this is a time to recognize their passing. I sincerely hope, we as Moose members will remember to pray for and express our sympathy to the families.

Adopt-A-Highway pickup was April 29th and several showed up to help. Thanks to you all. We can always use more bodies, so watch your bulletin calendar for the next pickup. We clean both sides of M-72 for two miles on either side of the Lodge. Our Leader, Kaye Gardner, would be most happy to see many helpers show up to assist.

You may notice there is a 1977 Buick Station Wagon (white) parked near the flag pole in front of the Lodge. This vehicle was donated to us for a fund-raiser by Sue Bowling. We will be accepting “sealed bids” for the car until July 4, 2014. It is in very

good shape and the rebuilt engine has only about 8,000 miles on it. There is a small electrical drain on the battery, but all else is in great working order. Stop by and look the old car over – it should be a great ride!!

Many thanks to Jerry Tallieu and Frank Wyrembelski for their work on the patio wall project. We are trying to prevent flooding from snow melt like we experienced this past winter.

Again, I beg you to “READ” and “POST” your newsletter calendar, so you don't miss the events that are planned. We need your “PARTICIPATION.”

Wednesday nights aren't just for the "Horseshoers". Come join us for GREAT burgers and fries on the patio or in the Lodge.

I sincerely hope you will support the Lodge with your attendance and volunteerism. I need your HELP.

Larry

Deadline for tickets: 6/20/14

From Your Administrator

Please stop in and join us for drinks and friendship. You will notice several improvements to the Lodge – new furnace and air conditioner, new cooler/dispenser behind the bar, and kitchen area floors newly painted. Soon we'll have new landscaping around the building. If anyone has any ideas for the trees, plants or landscape materials, please let us know. We want our Lodge to be a pleasant place to visit and for you to bring guests.

Come be part of the Moose Family.

Bryan

From Your Sr. Regent

Spring has arrived; unfortunately Mother Nature is lagging behind. Hopefully by the next Newsletter we will be on track and spring will have sprung!

As the end of my term as Sr. Regent comes to a close, I wish to thank everyone who participated in our events for their hard work and welcome our new members to join us in upcoming events. Just show up no invitation is needed, we are all a team! As Jr. Grad Regent, I will continue to work with our Chapter to increase membership and participation for the good of the Chapter, Mooseheart, Moosehaven and our Community.

The following co-workers were voted as our new Board of Officers on March 20th.

- Sr. Regent, Dolores Griffiths
- Jr. Grad Regent, Carol Bruce
- Jr. Regent, Naomi Braun
- Chaplain, Donna M. Coyle
- Secretary/Treasurer,
Beverly Gardner
- Recorder,
Carol-Lynn VanNorman

Your new Chapter 68 Board of Officers was installed on April 17th and took office on May 1, 20th. There was a reception following the installation. The faith you have entrusted in your new Board of Officers will make for an exciting 2014/2015 Chapter year.

The March Pot Luck was another food fest, thanks to all who participated.

We enjoyed preparing the Hunter's Safety Trainers dinner on April 27th. Over sixty trainers from around the state attended and we were honored to participate in this event.

On April 30, 2014 the Patio Grilling and Horseshoes began. We are looking for Grilling Partners (volunteers both men and women) to grill, collect 50/50's or clerk. Please contact Bev Gardner (989) 826-5741 to participate. Sign-up calendar is in the entry to the kitchen.

At the Mid-Year Conference in Frankenmuth, the October Cans or Cash program was announced. Either checks or cartons of cans for Michigan House at Mooseheart are collect. More information will be forthcoming as we near the October 4th deadline.

Remember to utilize your Moose Benefits to make your dues worthwhile. Discounts on prescriptions, airlines, cars, etc. Show your card proudly.

Come to our next meeting on May 1, 2014 at 3:00 P.M. We would love to get to know you better!
