Insurance Company _____Policy Number_____

Oregon Trail Council units are covered by council insurance. LDS units are covered by a group policy.

Our troop expects to have a minimum of _____ Scouts and _____ adults.
Please give as accurate an estimate as possible. This number is the basis on which the council orders food and supplies. Overly optimistic or conservative estimates make planning extremely difficult and expensive.

Preferred Campsites: (1) _____ (2) _____

Each unit is encouraged to list their first and second choices. Assignments are made on campers in attendance. The camp makes the final site assignment and does not guarantee requested campsite. In some cases, troops could be sharing the site with another troop due to space and leadership constraints.

List any special needs or considerations for youth and/or adults attending camp with your troop:

_____

_____

A $100 non-refundable campsite deposit is required with this application. This is applied to your unit's total camp fee and is not refundable if the troop does not attend regardless of cancellation date, but may be carried over for the following year's reservation. No site will be held without a deposit.

Payment Schedule:

Due March 31 – $100 per youth. Units that neglect to make this payment risk losing their reservation.
Due May 31 – Final payment for all youth and adults. Fees increase $25 per Scout afterward.

Leader Fees for Camp Baker:

Free adults are as follows: 1-8 boys = 1 free adult; 9-16 boys = 2 free adults; 17-24 boys = 3 free adults (max)
Fees for additional leaders apply. See camp week for cost.

REFUND POLICY: Fees are transferrable within the reservation for attendance adjustments on or before May 31. Cancellation refunds between May 31 and two weeks prior to camp date incur a **$100** no-show fee per Scout. Cancellations within two weeks of camp date, **incur full camp fee** and no refunds are issued for **Scouts or adults** unless 1) family moved out of council, 2) death or serious illness in immediate family, 3) doctor-verified illness prevents participation; then a $100 no-show fee will be applied before refund. Please allow 30 days for refunds.
