In addition to working in our Shop, please check any of the other volunteer activities listed below you are interested in:

_____ **Newsletter:** Writing articles, coordinating stories, etc.

_____ **Fundraising events:** Plan / prepare / work at fundraising events

_____ **Fostering:** Kitties in your home (all current pets must have tested negative for FeLeuk/Aids and be current on vaccinations); must have separate room in home for fostering or no other pets; can't have pet door

_____ **Transportation:** Vet appointments (daytime), bring foster kitties to shop, etc.

_____ **Phone Calls and/or Emails:** Coordinating volunteers, contacting with reminders

_____ **Grants:** Writing, Researching, etc.

NOTE: Because we are an all volunteer organization, we need volunteers who will show up on time and work a full shift when scheduled unless prior arrangements have been made to come in late or leave early. We need responsible people who will perform work tasks while volunteering. We discourage the use of personal cell phones or the playing of games while volunteering.

Once the work tasks are completed we want you to play with the kitties, comb them, pet them etc. as both you and the kitties need to interact so that you can tell potential adopters about the cats.

Our primary method of contacting volunteers is by email so it is important for you to have email access (**emails come from scoutholland@cox.net**) and to listen to telephone messages which will come from Linda Holland.
