Golf carts will be available for \$85 if pre-ordered with registration.

Wobble Trap will be available, so bring additional shells!

PROCEEDS BENEFIT:

All proceeds of the event will support two non-profit foundations.

The Louisiana Farm Bureau Foundation provides scholarships to young people studying any field of agriculture at Louisiana universities. Since the first two scholarships were awarded in 1993, the Louisiana Farm Bureau Foundation has awarded 145 scholarships - for a total of \$219,500 - to assist graduating seniors in their first year of college.

The Louisiana Ag in the Classroom Foundation provides funding for the Louisiana Ag in the Classroom (AIRC) program. The purpose of the AIRC program is to increase understanding of agriculture and instill an appreciation for our renewable food, fiber, and fuel systems through education. The main way we accomplish this is through showing teachers how to use agriculture in teaching their core subjects, such as math, science, and social studies.
