Beer Description:
This deep amber Imperial Abbey Ale melds malt and earth, spice and fruit to create a vivacious vehicle that shows you "the way down". Belgian yeast contributes flavor notes that perfectly accent the raisins and grains of paradise used in the brewing process. With strength and stamina, DESCENT is deliberately impetuous in its mission.

BEER LINE:
"The Way Down"

Creator: K-Dogg
Kourtney, aka K-Dogg...aka K-Tron, is our hotdog boarder|cyclist|brewer. K-Dogg works and plays harder than most...and he's got the scars to prove it. His beer was inspired by the Belgian beers he enjoys after an incredible day on one of his boards or bikes or in the brewhouse. Created as a tribute to the monk-ethic that produces beautiful beer through spiritual dedication to centuries-old standards, DESCENT celebrates "the way down".

SONG INSPIRATION:
"We're all pushing up the tin can mountain top
The smokestack clouds with glory attached."
