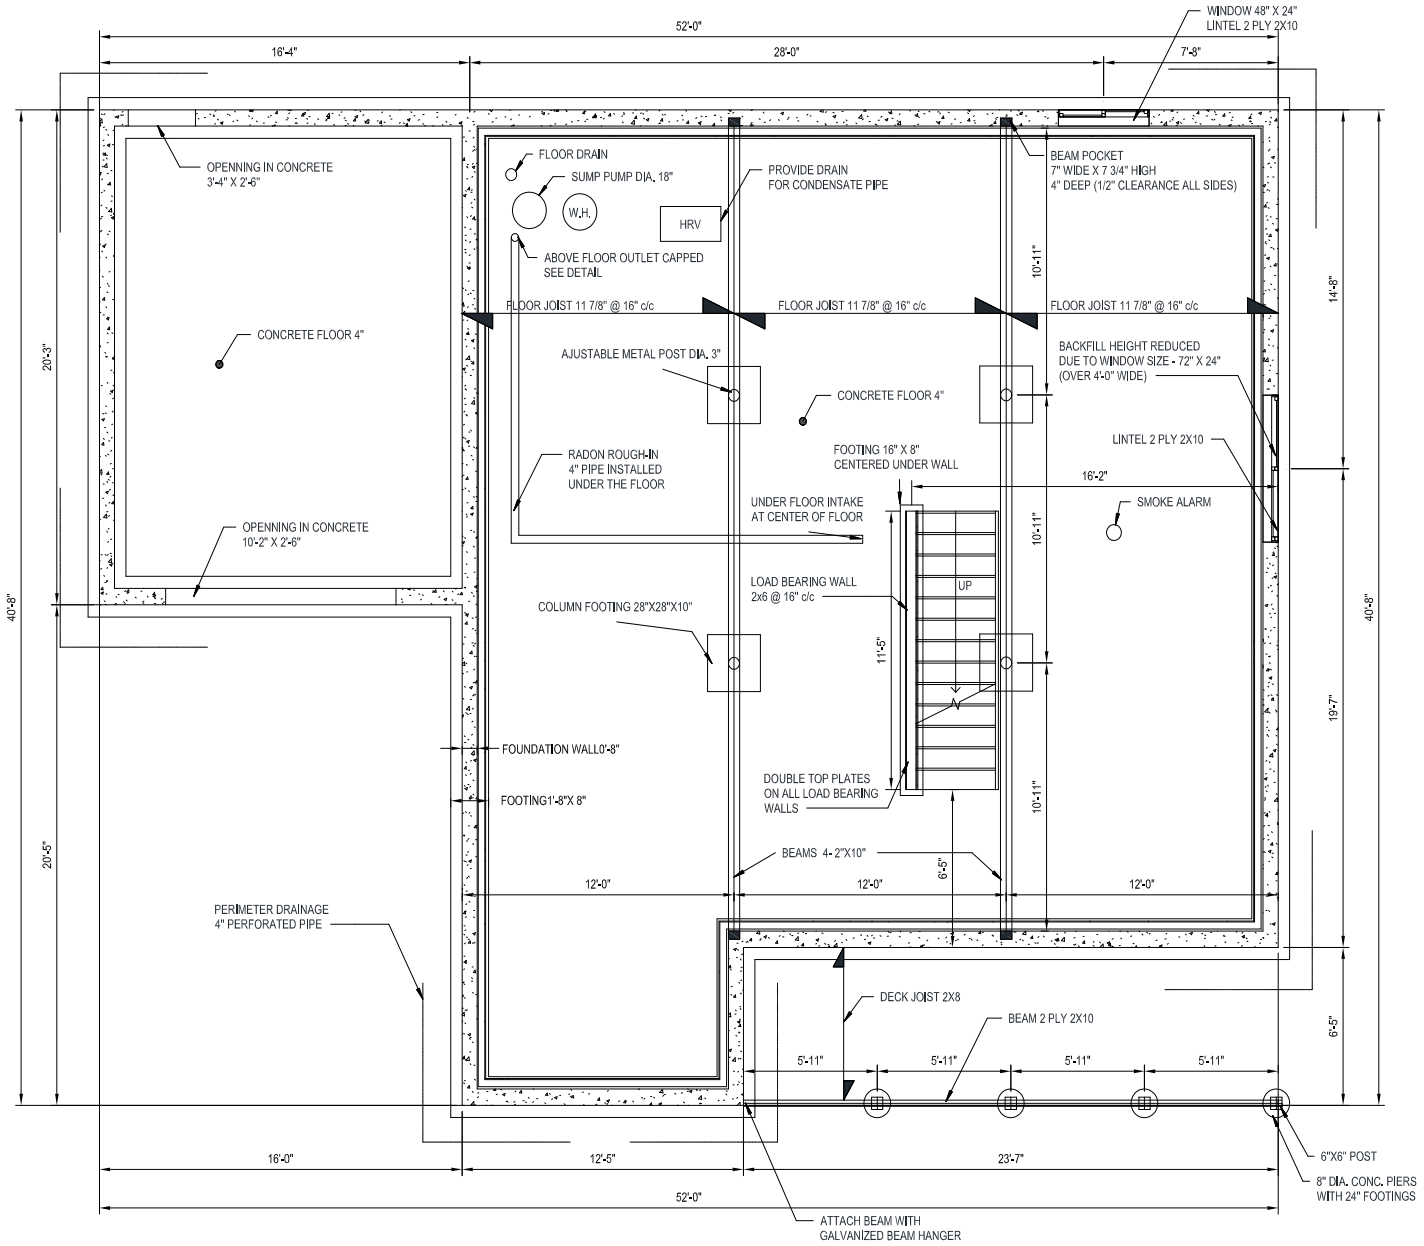
Example Foundation Plan

Example D2

Refer to the applicable checklists for other required information

June 2019 Edition

Please be advised that these are examples only and should not be used as construction plans. Do not refer to these drawings for National Building Code of Canada requirements; these are examples to demonstrate the level of detail necessary on construction drawings. Other information may be requested upon reviewing your application, when necessary, to show National Building Code of Canada compliance.


Drawings must be prepared by a professional capable of designing in accordance with the National Building Code of Canada.
