Development and Peace Share Lent 2017: Women at the Heart of Change

"Get up and do not be afraid." The message today is of how God, revealed to us, brings hope and promise. Yet, sometimes it is hard to have such hope after facing disaster. In 2004, a tsunami hit the coastlines around the Indian Ocean, resulting in 300,000 victims. In collaboration with its partners, Development and Peace provided emergency relief, completed the construction of 3,500 permanent homes and related infrastructure, and helped establish 26 community organizations. March 12 –2nd Sunday of Lent

Stewardship is a way of life that has its beginning in a new way of seeing who we are and all that we possess. The disciples were blessed to see Jesus in a new and glorious way in today's account of our Lord's Transfiguration. When we are open to seeing God's glory all around us amongst our daily busyness we can be filled with wonder and awe – life is truly a wondrous gift from God! Our hearts and minds are transformed and we are inspired to be a good steward of it all. Let Jesus reveal himself to you this Lent in a new and wondrous way so that your discipleship and stewardship may be even more joyful and fruitful.
