Eastwood Christian School Uniform Policy **Introduction**

Eastwood Christian School is a Christ-centered, classical school, committed to helping students think about every area of life from within a Christian worldview. One of the most public displays of a perspective saturated with biblical truth is in the clothes we wear. Our crest carries the Latin terms *veritas, vita, vocatio* for truth, life and calling. Our uniform code is designed to reflect certain trans-cultural, trans-temporal truths while still reflecting the lives of 21st century students living out their divine calling before a watching world. Like their five to six hours of academic rigor, their five to six hours of guided fashion are designed to help train their minds and draw out a thinking and decision-making process that will aid them throughout life. We are not just here to tell them “what not to wear” nor do we want to thwart their inner drive to reflect the unique person God created each of them to be. We do, however, recognize that just like sports teams and show choirs and marching bands, students engaged in the common pursuit of becoming educated men and women should outwardly express that common endeavor.

The following document provides a broad selection of acceptable clothing items as well as any necessary rules and prohibitions. Obviously, every possible contingency cannot be anticipated. The temptation is to lean heavily on the law and make a rule for every infraction. However, we resist that temptation and rely upon the power of the Holy Spirit to guide both parents and students toward our common goal of glorifying God by submitting to the spirit and not just the letter of this policy. For this reason we would like to speak more about modesty and humility and less about the number of buttons that must be buttoned or how high the skirt may be worn. Experience supports the scriptural concept that the law is necessary to point us to grace, so specific “laws” will be provided. Grace will be extended as students and parents are held accountable to uphold the covenant they signed. Parents and students should think prayerfully and seriously before signing the covenant promising to uphold the code.

Notes for all male students:

1. Boys' Hair – These guidelines will ensure an atmosphere of professionalism.
 - Off the collar
 - Above eyebrows
 - Mid-ear – may cover half of the ear
 - No facial hair
2. Hair Policy Enforcement: It is our desire that parents and students self-manage the hair code. Should the administration issue a “Haircut Required Notice,” immediate action is expected with no appeals.
3. We request that you not wear the following in the building at anytime during the school day: sunglasses, hats or caps, key chains/lanyards, bandannas, scarves, or any visible jewelry except watches and rings.
4. All undershirts must be white and can only show at the collar. No writing or print should be seen through light-colored shirts.
5. Students should arrive at school fully dressed. Do not leave your car until every item (shoes, ties, shirttails, etc.) is in order. Students should remain in their uniform until they leave the building. They should not untie ties, etc. until they have departed the premises.
6. Please label all items of clothing.
7. “Warrior Wear” days allow students to wear any tee-shirt or sweatshirt which displays the Eastwood name or logo. The tee-shirt should be worn with long jeans or any uniform bottom and any approved uniform shoes or athletic shoes.
8. *Italicized items* must be purchased from Southern School Uniforms, 1721 Eastern Boulevard, 215-0000. All other clothing may be purchased elsewhere provided the difference is indiscernible to the casual observer.
9. All shirts purchased from Southern School Uniforms must be monogrammed. Lower School sweatshirts from Southern School Uniforms must also be monogrammed. All outerwear (sweaters, sweatshirts and fleeces) purchased from Southern School Uniforms must be either monogrammed or crested.

Notes for all female students:

1. Hem-length – Eastwood skirts, skorts and jumpers are worn at the knee. Below, mid or top of the knee gives a nice range for growth, and parents should take growth into account when purchasing these items at the beginning of the year. If the hemline is one or more inches above the kneecap as seen from a distance of 5 feet, then the garment is too short and a uniform infraction notice will be sent home.
2. Shirts and blouses should be tucked in with the exception of the overblouse and banded options. The oxford shirts must be tucked in.
3. Buttons – Only the top button can be left unbuttoned on the cotton camp shirts, overblouses, peter pans and oxfords. No more than two buttons can be left unbuttoned on the knit shirts.
4. Accessories should complement the uniform and not draw undue attention to the wearer. This includes jewelry, hair accessories, nail polish, etc. The Board has discussed the issue of piercings and has determined that jewelry in piercings anywhere other than the ears is distracting and should not be seen at school.
5. Undergarments should not be visible through or hanging beneath uniform clothing.
6. We request that you not wear the following in the building at anytime during the school day: sunglasses, hats, bandannas, scarves, etc.
7. Please note the code calls for “tights” not “leggings” for upper school.
8. Students should arrive at school fully dressed. Do not leave your car until every item (shoes, ties, shirttails, etc.) is in order. Students should remain in their uniform until they leave the building.
9. Please label all clothing.
10. “Warrior Wear” days allow students to wear any tee-shirt or sweatshirt which displays the Eastwood name or logo. The tee-shirt should be worn with long jeans or any uniform bottom and any approved uniform shoes or athletic shoes.
