WORK EXPERIENCE

Independence Brewing Company Graphic Designer *June 2016 - Present*
At Independence Brewing Company, I am the sole in-house graphic designer and have several responsibilities. In the time I have spent at Independence I have overseen and created several advertisements to be seen on social media and in our taproom.

Grace Museum Event Staff *October 2015 - May 2016*
The Grace Museum is a museum in Abilene, TX. Often they will rent out the space that they own for events such as weddings, parties, and business events. My job as a member of the event staff is to organize, set up, and tear down these events. I also have the added responsibility of designing and creating the literature to advertise for these venues.

P+R Productions Production Intern *Summer 2015*
P+R Productions is an independent production company based in based in Austin, TX. This past summer I worked as a production intern for P+R Productions. Due to the fast-paced nature of the workspace, I learned many different skills very quickly. I did video editing, cinematography, audio operation, lighting, and animation.

P+R Productions Storyboard Artist *March 2015*
The March after my first internship with them I was contracted by P+R to create storyboards for a commercial with Joe's Crab Shack. Throughout the course of this fast-paced project, I was in communication with the cinematographers to create the images that they had in mind. This being my first major freelance job, I also drafted some business contracts and invoices.

VOLUNTEER EXPERIENCE

Shoreline Church Childcare Superviser *August 2009 - August 2013*
There were many parents amoung the congregation at Shoreline Church and naturally the preschool needed many volunteers to operate. My responsibilities as a Volunteer Childcare Supervisor consisted of organizing and leading classrooms. I also needed to communicate often with the parents about the child's allergies and behavior.
