KNOW YOUR PROFITABILITY

Shopventory will show you how profitable you are overall (per sku, per category, per location).

KNOW WHERE YOUR CASH GOES

With Shopventory, you will always know how much money is tied up in inventory so you can better predict your cash flow.

DISCOUNT OR DISCONTINUE?

Shopventory gives you the insights you need to eliminate slow-moving items and focus on adding new and potentially more profitable products to your shelves.

KNOW THE VALUE OF YOUR INVENTORY

Shopventory automatically counts up the value of all of the items in your location. It's easy to check your inventory valuation down to the moment.

KNOW WHEN TO REORDER

Out of stock? That's one phrase we never want you to have to say to your customers.
