The dog park is completely governed and maintained by volunteers. Many sponsors come to the park with their dog(s) and spot areas of need, and they come back with lawn mowers, shovels, rakes, poop bags, and other equipment. While your dog plays, a little effort by a park user to pick up poop, put branches into the green tote, or rake a few leaves, makes for a beautiful "DOG PARK." Other sponsors vision fund raising opportunities and bring those ideas to the Park Board for approval, resulting in events that have generated substantial revenues. With sponsor's donations, special events, and park user participation, we all win.
