

# Jeff Langmaid, DC

*Founder, The Evidence Based Chiropractor*

*Co-Director, Orthopedic Total Wellness Program at Florida Orthopaedic Institute*

*Author, "Marketing Chiropractic to Medical Doctors"*

As the leading voice of DC/MD communication, Dr. Jeff Langmaid has spoke at a variety of seminars, conferences, and events to both MD's and DC's alike. These engagements have covered topics such as evidence-based conservative care, chiropractic marketing, and interdisciplinary outreach/communication. Dr. Langmaid literally wrote the book ("Marketing Chiropractic to Medical Doctors" Available Worldwide on iBooks) on building referral relationships. His company, *The Evidence Based Chiropractor*, boasts membership across 4 continents and is the premier physician outreach company in chiropractic.
