## SEPTEMBER IS NATIONAL LIBRARY CARD SIGN UP MONTH

Library Card Sign-up Month is a time when libraries across the country remind parents that a library card is the most important school supply of all. Studies show that children who are read to in the home and who use the library perform better in school and are more likely to continue to use the library as a source of lifetime learning.

Libraries today offer more than just books - we have DVDs, CDs, computers, free Internet access, book discussion groups, musical performances and presentations, story hours and other programs for children and adults. Librarians are available to help recommend materials suitable for various ages and interests and teach critical information literacy skills - the skills to find, use and evaluate information in all formats.
