## Blue Bottle Coffees

### A Word on Our Coffees

At Restaurant Trokay

We offer impeccably sourced organic, shade-grown single origin coffees from artisan roaster Blue Bottle Coffee Company. Each cup is hand-crafted and individually brewed.

All coffees are served no less than two, and no more than seven, days after roasting to ensure optimal flavor.

All espressi are pulled “double-ristretto,” and all milk is steamed to “micro-foam” texture.

Subject to weekly availability, all coffees are available for retail purchase in ½ pound quantities, and may be special ordered in any quantity no less than one week in advance.
