At Nice Entertainment (aka Nice Guys DJ), we really are Nice Guys. Our mission is to create elegant atmospheres for lifelong memories.

We want to work **with** you. Each event is a unique work of art that we treat with white-glove service. You tell us about your event and we'll share some of our ideas on how we can work together to make it amazing!

WHERE WE ARE

We provide wedding entertainment to a number of the wedding hubs in the South, including Atlanta, Charleston and Asheville. For more information on where we can travel to, drop us a line. We'd love to make the trip to your neck of the woods!

NICE ENTERTAINMENT

As one of the premier wedding DJ and wedding entertainment companies in the South, Nice Entertainment has helped hundreds of couples tie the knot.

We know you put a lot of hard work into planning your wedding: the perfect venue; the best photographer; amazing food, flowers, and favors. But who are you going to leave the music to?

It's estimated that 81 percent of guests say music is the most memorable thing at a wedding, so be sure to make it a priority when planning your big day.

Our team of Atlanta DJs and musicians provide some of the best wedding entertainment in the Southeast. What this means to you, the bride and groom, is that you can rest assured that it will be the night of your life!

Drop by our website for more information. We cannot wait to help your event be the most memorable it can be.
