This landscape design features "Picture Piecing", an original technique using freezer paper. We will not be tracing anything. The pattern is preprinted onto freezer paper.

Bring to class:

- Sewing machine with light gray and white thread
- Personal sewing supplies - seam ripper, pins, etc.
- Iron (travel iron works best, not the small mini irons on a stick)
- Ironing surface: small table top ironing boards work well or an empty cardboard bolt from a bolt of fabric
- Paper and Fabric scissors (I like to use my embroidery size scissors for cutting fabric)
- Tray (plastic lid from a sweater box works good) This is for laying out and organizing the individual pieces, no bigger than 11 X 16. Don't go out and buy this.
- Approximately 15 sandwich sized ziplock baggies; to separate sections

type of tray for organizing

If you have any questions, please do not hesitate to call or email. We have a mini movie online, so if you aren't clear on any of the supplies you can check there.
