# HELLO THERE!

**SCALE 1:1** is a contemporary furniture company committed to manufacturing compelling and innovative products. As Specialists in dynamic workplaces, furniture produced by Scale 1:1 supports the creative work environment, helping companies and teams work together, play together, and create revolutionary products 'together'.

**Expandable, Modular, Re-configurable.**

Flexibility is among the many unique built-in features of the EYHOV office system. Move, slide, compress, add, grow.

**SCALE 1:1** takes great pride in designing and manufacturing its products in the United States. Based in downtown Los Angeles, with distribution throughout the USA and Canada.

proudly designed and  
fabricated in California.
