

COWBOYS AND CASINOS

Presented by Cottonwood Ranch & Caesars Palace

Summer 2015

Cottonwood Ranch

Cottonwood is a family owned working horse and cattle ranch located in the remote northeastern corner of Nevada. For over 60 years, they have offered a warm, western welcome to the many guests who have shared their home. The lodge offers eight rustic rooms, living and dining areas, spacious decks, and an entertainment room.

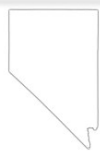

Caesars Palace

Caesars Palace and Las Vegas go hand in hand. Conveniently placed on the Vegas Strip, Caesars is a Vegas icon with a Roman atmosphere. The hotel features nearly 4,000 rooms, slots and table games, luxury pools, fine dining, big entertainment, specialty shopping and so much more!

Battle Born

Nevada achieved statehood as a result of the Civil War, hence the phrase "Battle Born." From the neon glow of Las Vegas to the serenity of the stars that stand watch over the Northern plains, Nevada is unlike anywhere else. Experience the dichotomy of a bustling city and an untouched wilderness on the vacation of a lifetime.

Bright Lights, Big Country

Cowboys and Casinos is a weeklong experience combining two icons of the past and present American West. Enjoy three days larger than life in Las Vegas and three days riding horseback across the Nevada plains.

Cottonwood Ranch

Come experience the west with the crew at Cottonwood as they take guests on horseback through the rangelands exploring the Nevada terrain, riding on the Jarbidge Wilderness mountains, taking in the wildlife and scenery, and so much more. Enjoy the comfort and luxury of the guest lodge during your ranch stay. You'll have the opportunity to horseback ride, hike, tour the ranch, ride an obstacle course and sightsee at some of their favorite spots.

Caesars Palace

Entertain yourself in Las Vegas at the famous Caesars Palace. Enjoy three days playing the slots, going to shows, exploring the forum shops, pampering yourself at the spa, hitting the clubs, and relaxing at the pool. Also, don't forget all the great activities Vegas has to offer outside of your hotel such as local sightseeing, endless shopping, superior golfing, and so much more.
