TEED UP
Exclusive Golf Tours

"Your passion is our obsession"

"The Teed Up US Masters tour was without doubt one of the best holidays I have ever experienced...and doesn't get any better than being there at Augusta on Sunday afternoon to see Adam Scott win the Green jacket! I met some wonderful people, loved the golf courses we played, and as a single woman on a golf tour I felt extremely comfortable, warmly included and well cared for. I would highly recommend the Teed Up tour to my good pals!"

Deborah Hutton - one of Australia's most acknowledged and respected media personalities

Since 2003 Teed Up has hosted hundreds of golf lovers to the Masters. We offer the highest level of service and use our local knowledge to create the perfect golfing experience. We are on the ground with you unlike many local operators who are just on-selling packages they buy over the internet.

Our experienced Masters team personally escorts you throughout the tour. You will receive insider information that will make for a perfect holiday, such as the best viewing spots around Augusta, most popular restaurants, shortest transfer times and where to buy superior merchandise. Our partners in accommodation, ticketing and transport go the extra mile to create a smooth and successful event as they have become our friends over the past ten years.

Our most popular tour goes for 11 days and includes three rounds at Pinehurst Golf Resort, one of the best golf resorts in the world where we play the "No 2" course which is known for hosting the 2005 and 2014 US Open. We then spend 7 days in the beautiful town of Aiken where we attend four days at the Masters and also play 2 games of golf to break up the days we spend at the amazing Masters tournament. Aiken is well known for its great restaurants, horse races and is known as the "polo capital" of the South. Only 30 minutes to Augusta, it comes to life during Masters Week. You can walk around any time and unlike Augusta all the bars and restaurants are close to each other.

Our most popular packages, which sell out quickly, are the Eagle and Platinum packages where you spend 11 days enjoying great golf courses, restaurants, high quality hotels and four days at the tournament. For groups we offer the opportunity to stay together in luxury private houses with your own chefs, drivers and maid service.

We are 100% confident you will have a great time but don't just take our word for it. Over 90% of our clients now come from referrals from satisfied guests that have been on one of our tours which is our greatest testimony. You can see all our testimonials from a range of clients at <http://www.teedupgolftours.com/testimonials/>

We are also happy to provide you with the contact details of our clients who may be members of your golf club or live locally so that you can personally give them a call to answer any questions you may have about the tour or our company. We understand that for many of you this will be the "golf trip of a lifetime" so you want to be sure you are booking with a trusted tour operator.

The most important elements of a successful Masters tour are that your tickets are secured through a reputable supplier (not over the internet), your hotel is of high quality, your hosts are on the ground with you and that you have safe and comfortable transport arrangements. We ensure all of these elements are covered so if you are comparing our tour with others make sure the same applies and ask for evidence of where the tickets are coming from. Check testimonials and make sure there are more than 2-3 of these for each tour.

Feel free to contact us at any time and we look forward to you joining us at The Masters!

Frequently Asked Questions

Why don't we attend the Masters every day?

Apart from the high cost of the tickets, we have found that over the years you get too tired walking the course every day. You are often surprised at how steep the course is. Additionally, after watching golf for two or three days, many of our past guests prefer to go and hit some balls! 85% of previous attendees tell us that going on our chosen days gives a good balance. However, we are flexible as to the days you attend the Masters, and can arrange for you to attend additional days.

Why don't we stay in Augusta?

We choose not to stay in Augusta due to its limited accommodation and restaurant choices. Furthermore, traffic can be very heavy getting to the course from the north side where most people stay. In contrast, Aiken services a wealthy horse breeding area so the quality of restaurants and hotels are higher. It is only a 30 minute drive to the Augusta National course, avoiding the heavy traffic. 96% of attendees rated Aiken as an admirable alternative to stay in. Many tour operators in Australia also do not escort the tour personally, choosing to simply sell a tour on behalf of a local operator based in Augusta where guests are left to their own devices, often making the trip more demanding and risky. Other operators book you into hotels in Colombia which can be a 90 minute drive to Augusta with traffic.

Are non-golfers welcome?

Yes! We welcome non-golfers, and at Pinehurst they have plenty of activities to fill their days. There is a large spa with pool, treatment rooms and sauna to name a few. There are many shops in the Village and day trips can be organised. We would recommend they attend at least one day at The Masters to appreciate the beauty of the course and often suggest Wednesday as the best day, so they can see the Par 3 tournament as well. In Aiken there are also day trips that can be arranged, for example, horse treks, massages and plenty of shopping! A 1 hour spa package at Pinehurst Resort and the Willcox Inn Spa is included in the VIP, Platinum, or Eagle Non-Golfer package as well.

Questions you should ask other tour operators are:

- Do deposits and payments go into a Travel Agent Trust fund so that the Travel Compensation Fund covers any operators or supplier who gets into trouble?
- Do the tours stay in nice towns close to Augusta or are they in motels and hotels out in places like Colombia or Atlanta where transport to the course is difficult?
- Do tour guides with Masters experience accompany the group or do they just sell US tour companies' packages rebranded as their own, and guests are left to their own devices?
- How do they source their Masters tickets? Can they give you a letter to email from their ticket supplier confirming ticket availability.
- How long have they been running tours to the Masters?

We are able to answer all these questions favourably. Please ask us for the contact details of previous tour attendees if you would like to talk to someone about the tour.

Client Testimonials

This was a well-run and well executed tour. It was obvious that we were able to get the benefit of Teed-Up having held Masters tours many times before. I would certainly recommend it to golfers and interestingly my wife who is not a golfer had a great time also. **Richard Mathews**

The US Masters was our first organised golf tour. It was an outstanding experience with the golf courses we played, the Masters tournament, the accommodations and the company of our fellow travellers. All organised by the friendly experienced tour leaders....Mike, Bede and the local support staff. We look forward to future tours with Teed Up. **Dee and Ross James**

My journey with the Teed Up group can only be described as amazing, outstanding and a very WONDERFUL life experience. The organisation and coordination of the whole trip was seamless and the memories that will live with me through meeting great new friends and playing and seeing the best in golf was truly magnificent, I will be advising as many as possible to make the booking to join a Teed Up golf tour to the Masters ASAP. **Jamie McKaughan, CEO KFC, NZ**

The brochures and advertising undersold what an amazing experience the trip was! The best trip I have ever done. Without exception. **Phil Smith**

This was a tour of a lifetime with my son and mates. The tour and experience exceeded my expectations and we will definitely be using Teed Up for my next sporting tour. **Craig Stubbs**

Thank you both for providing the golfing trip of a lifetime on the 2012 Masters Tour. We played courses that we had previously only dreamed of, and attending the Masters was way beyond our expectations. Your personal approach to looking after the tour members made for a happy group of travellers. Please keep us on the mailing list for all of your future tours. **Michael & Annette Tickle**

I have recently returned from the Masters tour with my son as part of my 60th Birthday celebration. Thanks to the team at Teed Up the trip was one that we both will never forget. Teed Up's attention to detail was amazing, topped off by friendly support staff that were friendly and eager to please. We were asked in a survey, "What could we do to improve the experience?" and we couldn't think of anything....I think that says it all. **Paul Malouf**

I've toured with Teed Up on 3 majors, The US Open, British Open and now the Masters. All 3 tours have been exceptional, but The Masters was really something special. As always, Bede, Mike and all the staff involved, go that extra mile to ensure the perfect tour. I wouldn't hesitate to recommend Teed Up for any of their tours. **Geoff Thomas**

My wife and I had on our bucket list to attend The Masters at Augusta. We went with Teed Up Golf Tours and we must say we had a total 10 hassle free days including 6 days of golf and 4 at The Masters. Totally enjoyable and would highly recommend the tour to anyone! **John Webster**

Being able to visit Augusta was a dream come true and Teed Up ensured every day, every event and every experience was exceptional. I have been on many golfing tours over the years but nobody does it better than Teed Up. **Craig Douglas**

Mike and Bede have every part of Augusta Masters week well covered and their experience shows through. Nothing seems to be too much trouble and they provided lots of little unexpected extras on a daily basis. They are both great socially. Our Masters trip was everything we hoped and more, a true visit to golfers Mecca. Thank you to you all, hope to catch up in QLD. **David Deane**

Payment Information

A deposit of \$3,000AUD per person is to accompany the booking form. 50% of the deposit is refundable if cancelled prior to 1st September 2014. The final non-refundable payment is due on 27 Nov 2014. The final payment will be for the full tour price in USD converted to AUD based on the best USD sell rate from the Major 4 banks as at 10am on 26/11/14. The deposit will then be deducted from this to give the balance owing. No refunds are available after this date. Ticket Pricing

Pricing for these packages have been based on the estimated US Masters ticket prices for the tournament at this time. While we do pay a large non-refundable deposit for tickets when you book with us, our licensed ticket supplier, who we have been using for over 13 years, can only confirm the ticket prices in the November prior to the tournament. Due to very high increases in US Masters ticket prices at short notice over the past two years we may be forced to increase the cost of the tour package up to, and including, when your final tour balance is due. If there is more than a 5% increase in the tour package at that time we will give you the opportunity to withdraw from the tour and obtain a full refund of the deposit paid.

Wet Weather

Please be advised that refunds do not apply if you choose not to play due to bad weather. If the golf club closes its course due to heavy rain or dangerous conditions, then a green fee refund will be issued as long as the round has not commenced. Return transfer fees will still apply. US Masters organisers do not refund tickets due to play suspension or course closure.

Important – Travel Insurance:

It is vital you have Insurance in case you need to cancel for health or other reasons. You can obtain Insurance within 12 months of departure. You can get a quote within seconds from our recommended Insurer **AIG**. This policy covers golf clubs up to a value of \$3000, whereas many other policies only cover clubs to \$500. Money Back Guarantee

We have hosted hundreds of sports fans to the US Masters since 1999. We always get feedback from them after the tour and, as you can see from our testimonials, we know we provide a fantastic level of service and full value for the tours our guests purchase from us. In all this time, we have never had someone say they are unhappy with what we have provided and that they want to leave the tour. For this reason, we are confident enough to offer a unique “money back guarantee” to anyone booking a US Masters escorted VIP, Platinum or Eagle 10 night tour. If, at any time, up to and including the first two nights on tour, you are unhappy, for any reason, all you need to do is let your tour leader know that you are unhappy and wish to leave the tour at that stage. We will arrange a full refund of your Masters tour package that you purchased from us upon our return to Australia. All flights are excluded from the Money Back Guarantee. The only condition is that you need to have advised us and left the tour by midday on Day 3 of the tour. See our website for more details.

Twin Share and Non Golfer single Packages

If you select a “Twin share” package you must nominate at the time of booking who you are sharing with on your booking form otherwise you will be recorded and charged the price of a Single package. If after this you find a twin share partner then we will change your package back to Twin Share. We are unable to find a twin share partner for you. You must also nominate on your form if you require one bed (i.e. Queen or Double) or 2 separate beds. Please note all **Non-Golfers** are assumed to be twin-sharing with a golfer. If this is not the case and you require a non-golfer Single package please inform us so we can tailor a specific package for you.

Payment Information:

A deposit of \$3,000.00AUD per person is to accompany the booking form. (50% of the deposit is refundable if cancelled prior to 1st September 2014.) The final non-refundable payment is due on 27 Nov 2014. The final payment will be for the full tour price in USD converted to AUD based on the best USD sell rate from the Major 4 banks as at 10am on 26/11/14. The deposit will then be deducted from this to give the balance owing. No refunds are available after this date. You can lock in a rate with our FX advisors within 12 months of the tour departure date if you wish. Please contact us if you wish to secure a rate but please note that once your FX deal is confirmed it becomes legally binding and that full payment must be made within 5 working days to our account shown below.

Pricing for these packages have been based on the estimated US Masters ticket prices for the tournament at this time. While we do pay a large non-refundable deposit for tickets when you book with us, our licensed ticket supplier, who we have been using for over 13 years, can only confirm the ticket prices in the November prior to the tournament. Due to very high increases in ticket prices at short notice over the past two years we may be forced to increase the cost of the tour package up to, and including, when your final tour balance is due. If there is more than a 5% increase in the tour package at that time we will give you the opportunity to withdraw from the tour and obtain a full refund of the deposit paid.
