2014 READERS' CHOICE WINNERS!

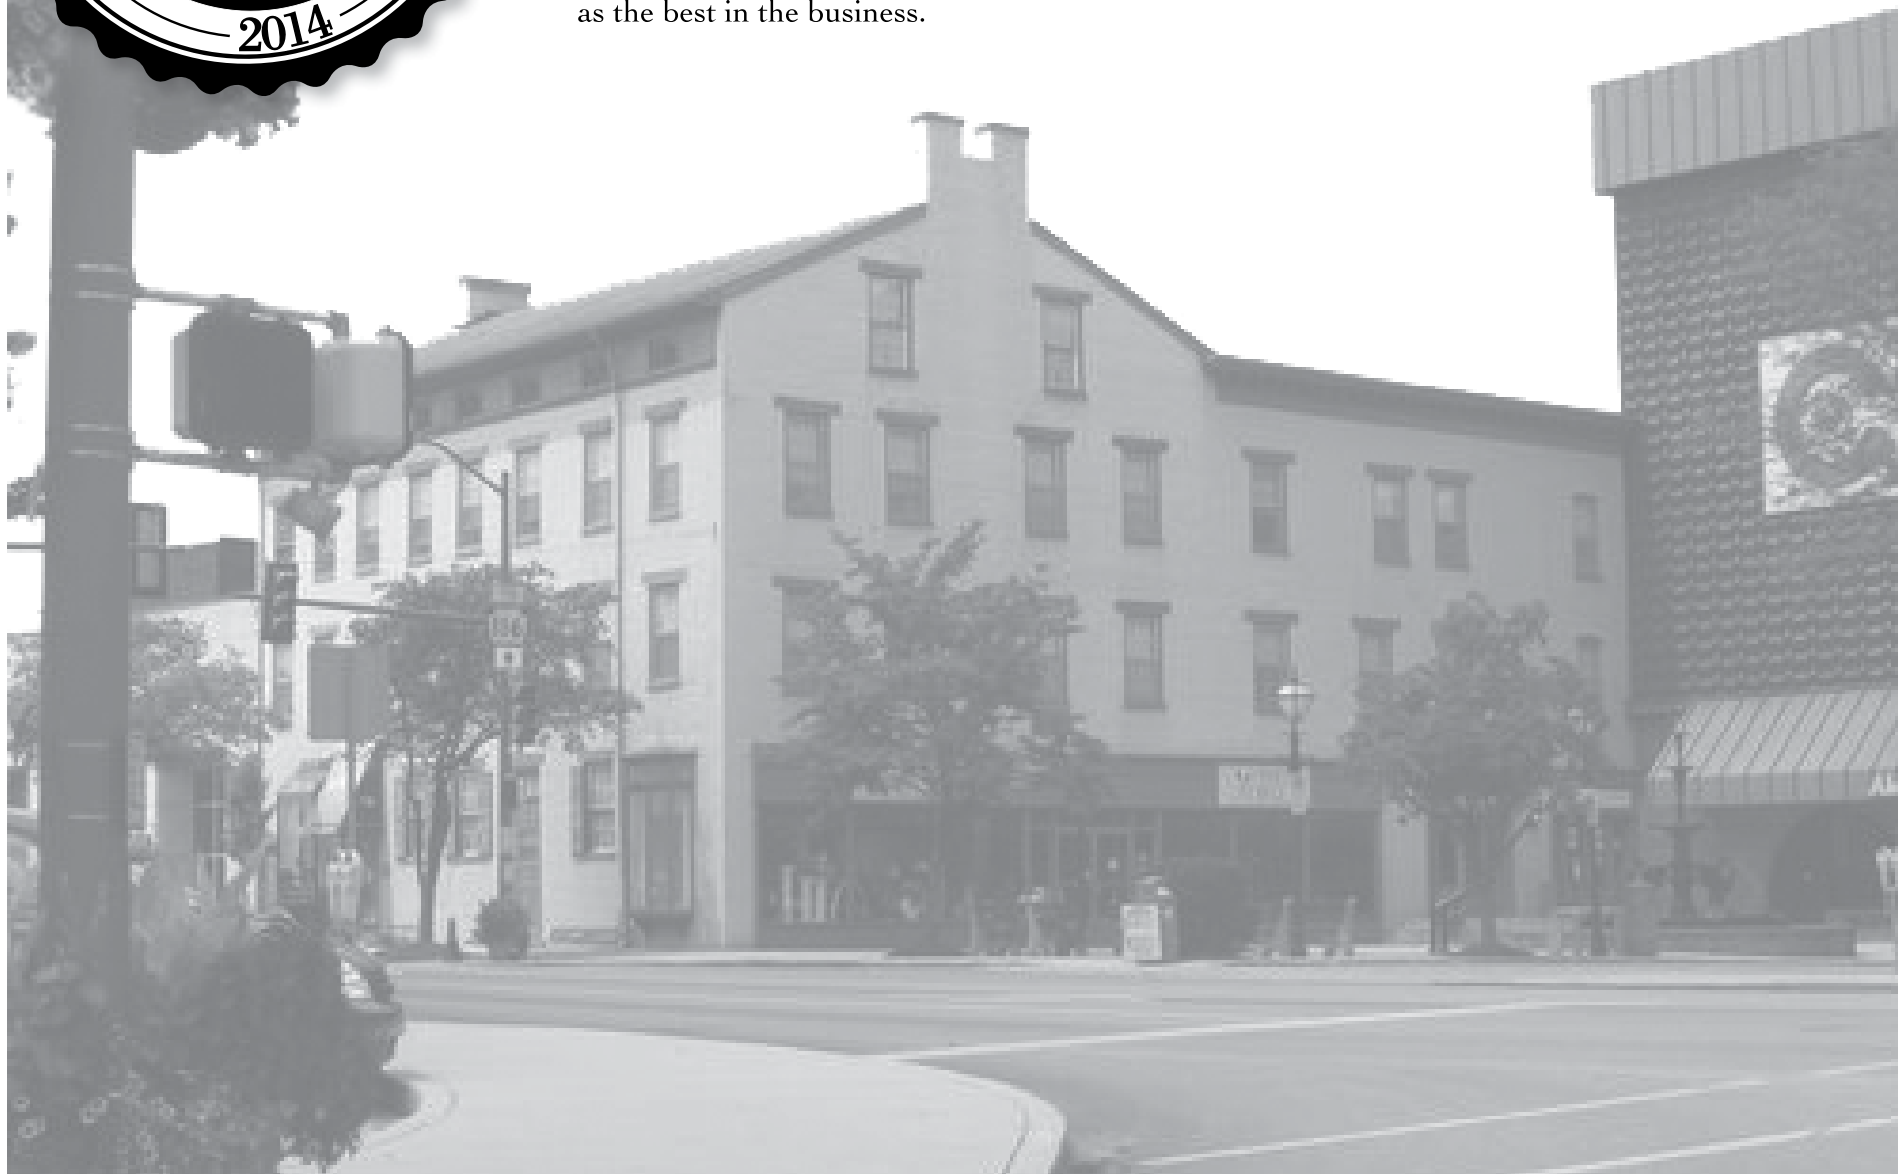

We asked you to give us your opinion of which businesses are the best of the best in the area, and you told us by the thousands! This year, we received over 3,500 ballots!

Winners get a year's worth of bragging rights along with the knowledge that they have the people's vote as the best in the business.

In the next few pages, we have the winners of 76 categories. From settling the highly contested question of where to find the best breakfast in town to which annual event is your favorite, you settled some major scores. The best chip. The best pretzel. The best of the best for local shopping and industry. And now, we declare the winners.

Can't believe what we missed? Add your perspective to next year's list. Send suggestions for additional products and places we should highlight next year to: The Evening Sun, attn: Readers' Choice, 135 Baltimore St., Hanover, PA 17331.
