Youthful Yoga with Miss. Jess

Come mellow out after an energetic school day! Students will participate in supine, seated and standing postures. This will be a Vinyasa Flow class that connects breath to movement. We will work on strength, balance and flexibility. Yoga has many benefits for dancers, gymnastics and any athlete. It is also just plain fun! All ages are welcome but please keep in mind that if your child would rather run around than stretch this is probably not the class for them.

Students will need to bring a yoga/work out mat and water bottle to class. Loose fitting, comfortable clothing, such as sweatpants, will be required. Mats may be taken home each week or stored in my classroom.

Tues. May 13 – June 9th 5 Weeks \$40 per student 3:00 – 4:15* Grade k-8

Class Leader: Jess Cardow

Minimum students: 6

Maximum students: 11

It's Staring at Me! – Insect Exploration

Insects are cool! Explore the insect world to learn more about these little creatures. Observe them....are they watching you? The class will be held indoors and out.

Tues. May 13 – June 9th 5 Weeks \$40 per student 3:15 – 4:30 Grade k - 4

Class Leader: Jill Galus Minimum students: 6 Maximum students: 15

Wild Wood Carving Club

The wood carving class will be an introductory course for anyone interested in artistic and functional wood carving. The class will provide basic instruction and examples for a number of projects, such as bowls, spoons, and hand drums as well as examples of more complicated carving and whittling projects for students that wish to attempt it. A number of tools will be provided for students use, but as the number of available tools is limited, students will bring in a carving knife suitable to their desired project. More details on transporting and storing their knife as well as knife safety will follow once students are enrolled in the class.

Tues. May 13 – June 9th 5 Weeks \$40 per student 3:15 – 4:30 Grade 5-8

Class Leader: Ed Antifonario Minimum students: 6 Maximum students: 15

Karate -You Learn, You Earn!

This program has been developed to expose the student to traditional martial arts. The goal for the student is improved focus, respect, fitness, team work, self-defense and, as they progress, to earn their first stripe toward yellow belt. This program and format has been successful in the Portsmouth school district for 23 years. The style of Karate is called ISSHIN RYU (one heart way). It is a lot of fun! Parents and guests will be invited to an extra class in the evening at the end of the session for a graduation by invitation.

Tues. May 13 – June 9th 5 Weeks \$45* per student 3:15 – 4:30 Grade k-8

Class Leader: Harry Charache Minimum students: 8 Maximum students: 30

*\$45 for the 5 one hour and fifteen minute class plus an extra evening class of graduation

Wednesday Classes:

Reptile Club - Part 2

The crew from Prehistorix will be back with more exciting animals. You will get hands on experience with holding these animals, learning about their habitats, lifestyles and how to care for them. If you were in the Reptile Club last session you will see different animals in this Part 2 session. If you are new to the Reptile Club, that is fine too. No previous reptile experience needed!

Weds. May 13 – June 9th 5 Weeks \$40 per student 3:15 – 4:30 Grade 1-8

Class Leader: Prehistorix Staff Minimum students: 8 Maximum students: 30

Nature's Crafts for Kids

Use your imagination to create a whimsical miniature, indoor living garden in your favorite theme....add a woodland house, moss, plants, creatures, fairies or frogs. Make a garden stepping stone and a treasure box filled with homemade, yummy-smelling potpourri!

Weds. May 13 – June 10 5 weeks \$40 per student 3:15-4:30 Grade k-8

Class leader: Felicia Motherway Minimum students: 8 Maximum: 15

Thursday Classes:

Horticulture

Lets bring spring indoors now by getting your hands dirty! Have fun planting a miniature garden under glass with your favorite theme. Learn how to reproduce plants and take home some easy care houseplants. Make some homemade herbal soap for gifts. Let's look for worms as we dig in our outdoor garden!

Thurs. May 14 – June 11 5 weeks \$40 per student 3:15-4:30 Grade: k-8

Class Leader: Felicia Motherway Minimum students: 8 Maximum: 15

Singing Club

Do you love to sing harmony? Have you wanted to sing in an acapella group? Or a choir? Or do you just want to take your singing-in-the-shower to the next level? We will sing all kinds of songs from various cultures and genres: sea chanties, folk, world and choral songs, and more! We will learn and create part harmonies, using only our voices and body percussion to make a unique and full sound! Let's do some singing!

Thurs. May 14 – June 11 5 weeks \$40 per student 3:15-4:30 Grade: 1-8

Class Leader: Jean Frances Pauly Minimum students: 6 Maximum: 12

Electric, Awesome, Arduino Club!!

Kids in this Club will focus on learning to use microcontrollers for electronic projects of their own design. The Arduino will be the primary example, however a "pic" basic stamp and a serial controller for a PC will also be shown. Projects will be of students choosing but a light up t-shirt, a robot hand and a bluetooth controlled steam boat will be some of the optional examples.

Thurs. May 14 – June 11 5 weeks \$40 per student * 3:15-4:30 Grade: 4-8

Class Leader: Ed Antifonario Minimum students: 6 Maximum: 12

*students will also need to purchase their own electronics for their desired project, prices will vary with an aim for keeping projects below \$30.00
