## Event Notes

### 1320 RACE

**New course this year.** Please see map and schedule for details. First race starts at 8am.

### TIMING

Dash, hurdles and relays are electronically timed. The system takes up to 500 pictures/sec. Times are recorded to four decimal places. In the case of a tie all decimal places will be used. Runners who stray from lanes and impede other runners will be disqualified.

### TRACK EVENTS

Only athletes and authorized event personnel (those w/ field passes) are allowed on the track. Athletes must enter track events through the single **Athlete Entrance** closest to Truman Avenue. Exits are located near the finish line of both hurdles and dash.

**NO cleats, spikes, soccer shoes, track shoes, track shoes with spikes removed, or bare feet.**

### FINALS

The top 6 runners from each Hurdle and Dash event will qualify for Finals. Results will be posted on the fence near the Info Booth and online at **lasdjo.com**. Some participants will have little time between running events. The timers and committee work as quickly as possible to post results.

### RELAYS

Teams must have all members before entering track. Relay Coordinator will signal to teams when it is time to enter the track. No batons, hats, sunglasses or other personal items may be brought onto track. Small flat markers are ok, but need to be picked up after race. Teams will exit track near finish line.

### HURDLES

4<sup>th</sup> graders will jump 18" hurdles. 5<sup>th</sup> and 6<sup>th</sup> graders will jump 24" hurdles

### JUMP ROPE

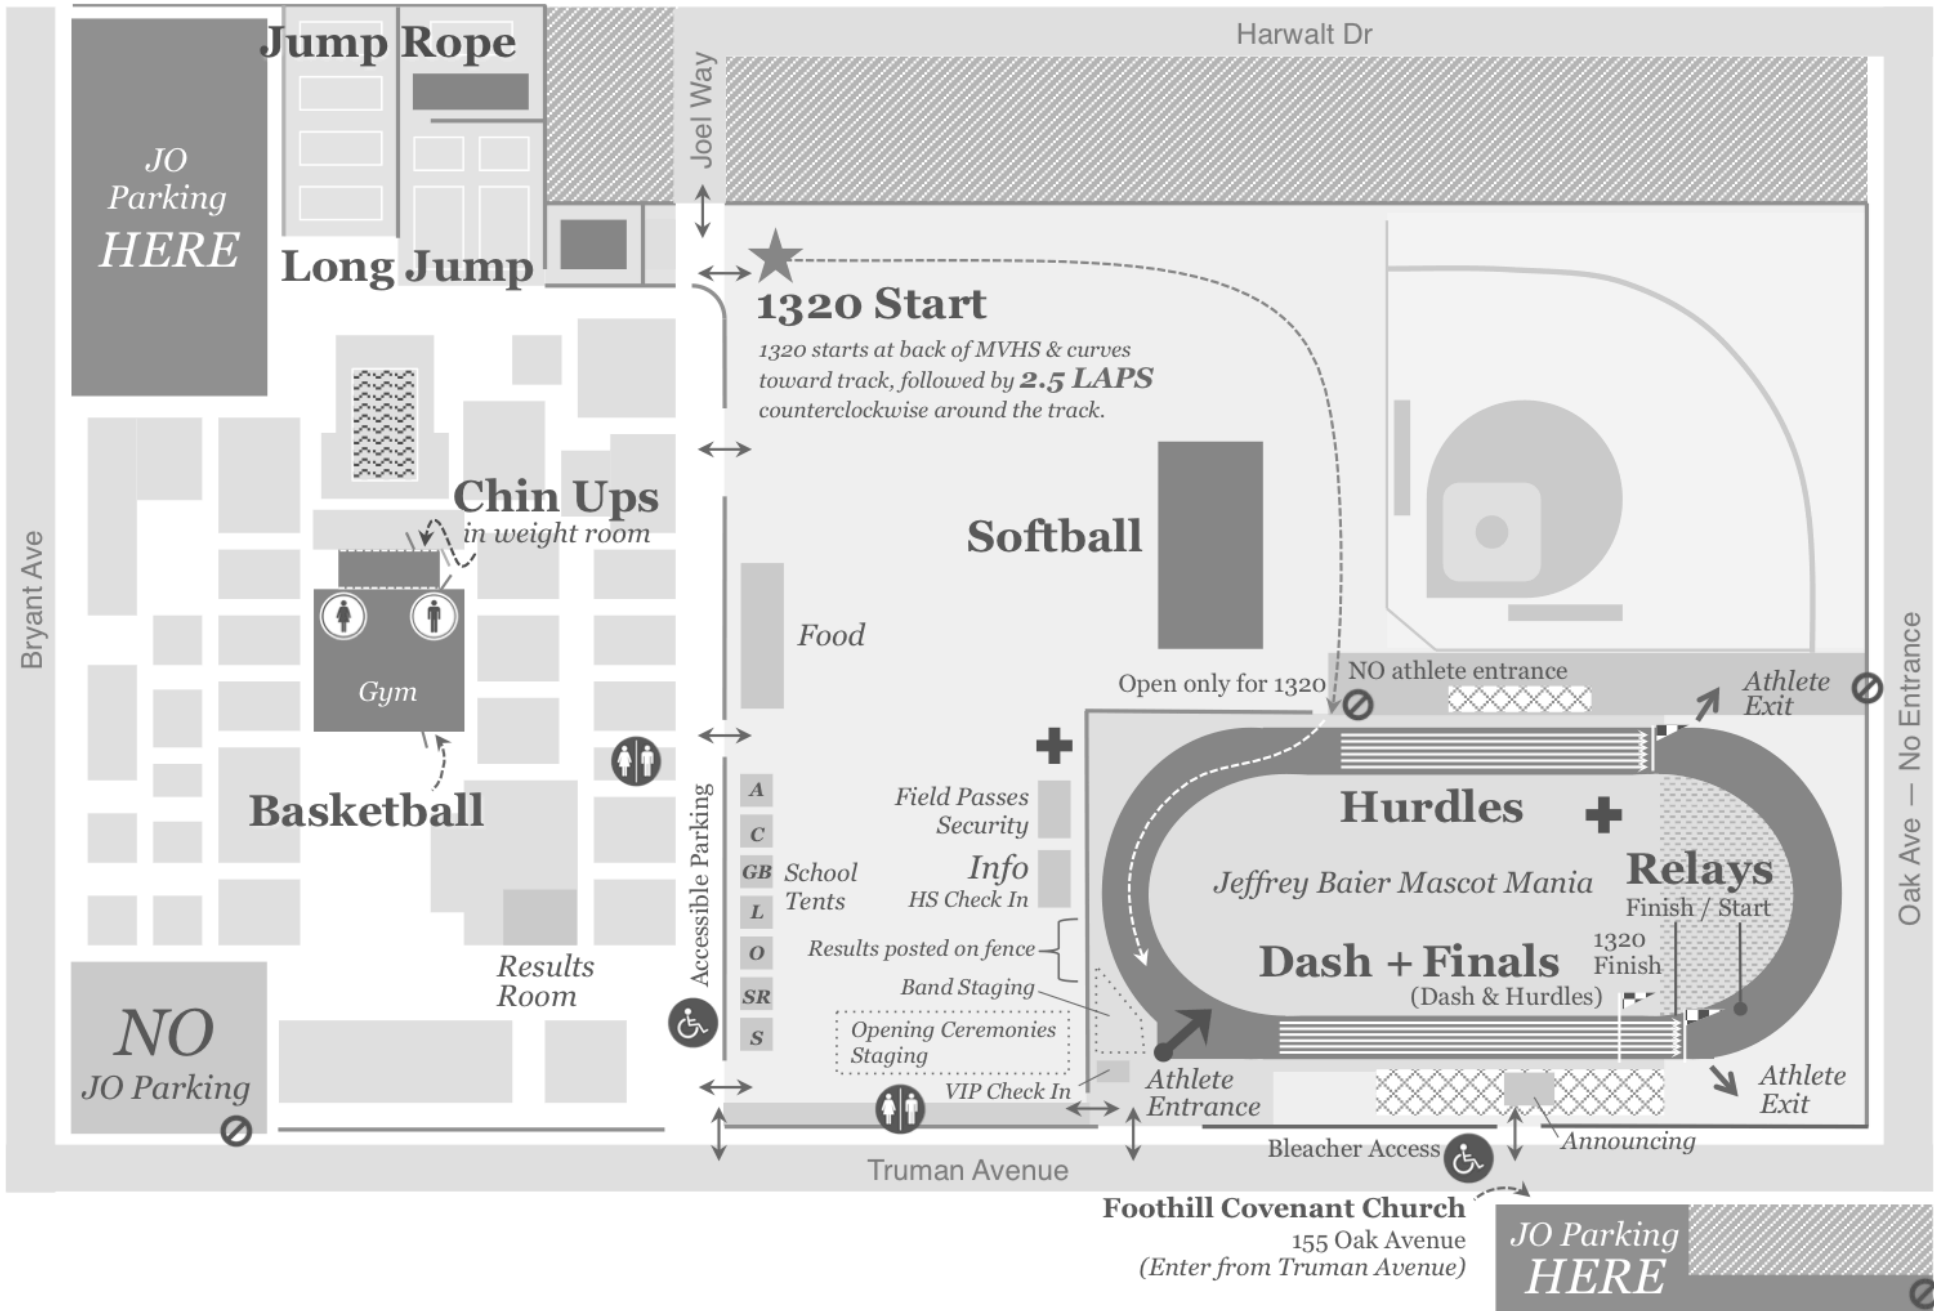

Jumpers who double jump or jump 90+ **MUST** announce themselves to counters. They require 2 additional counters for accuracy. If these jumpers don't comply they will have to wait in line and jump again.

## Additional Information

### PETS

No pets allowed at the Junior Olympics.

### APPROPRIATE ATTIRE

All athletes must wear their school's Junior Olympics t-shirt to compete. Check with your school tent if you have any issues. Appropriate shoes must be worn for all events. Sunglasses, hats and comfortable shorts or pants are recommended.

### OVEREXERTION

Many participants are competing in several running events with very little time to recover. It is important to stay hydrated and cool. Rest between events and sit under shade.

### SUPERVISION

Children need to be accompanied by an adult. Parents should accompany student athletes to their events in case of injury and to ensure children are on time and ready to compete.

### FIRST AID

There are two First Aid stations: one on the infield near the hurdles and one on the grass field across from the school tents. They are each stocked with Band-Aids, water, and ice for minor injuries. The parent volunteers at these stations are not medical professionals. 911 will be called in the case of an emergency.

### AWARDS

1st– 6th place awards in each event will be given out at your school on a date set individually by each school.

### DISCREPENCIES

Meet director decisions are final.
