about the chorus

Voices of Gotham is an award-winning men's a cappella group based in New York City, comprised of more than sixty talented voices. Its members include professional actors and musicians, former college a cappella singers, and men who simply enjoy raising their voices in song. The chorus' constantly evolving repertoire includes a mix of classical, barbershop, vocal jazz, doo-wop and contemporary a cappella selections. Voices of Gotham is a proud chapter of the Barbershop Harmony Society, the largest a cappella musical organization in the world.

book the chorus

Voices of Gotham performs regularly at storied venues including Madison Square Garden, Rockefeller Center and Symphony Space, and regularly volunteers their services at schools, assisted living facilities and community events to benefit the greater NYC community. VoG also performs on behalf of major corporations (including Brookfield Properties and Deloitte), and at international chorus competitions. Voices of Gotham's repertoire is extremely varied, and the chorus can provide groups of any size to entertain your guests. Contact the group at info@voicesofgotham.org to arrange a performance!

join the chorus

Voices of Gotham holds auditions for new members regularly, and guests are welcome to visit any of our weekly Thursday rehearsals. Prospective members should be experienced singers with a strong work ethic. Please visit voicesofgotham.org or email membership@voicesofgotham.org for more details!
