Institute of the International Association for Research and Testing in the Field of Textile Ecology (Oeko-Tex)

The company

Fiberpartner ApS

Havnegade 23

7100 Vejle, DENMARK

is granted authorisation according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our **test report 1319876-212-08**

Tested for harmful substances
according to Oeko-Tex® Standard 100

1276-212

DTI Denmark

for the following articles:

Polyester fibres and polyester industrial filament yarns, raw white, white, optical white and black, siliconized, both virgin and recycled fibres. Based on raw materials already certified according to Oeko-Tex® Standard 100.

The results of the inspection made according to Oeko-Tex® Standard 100, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for baby articles.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

This authorisation is valid until 31.10.2017

Taastrup, 26.08.2016

Jørgen Nielsen
