

PTA Membership

Support your school and **JOIN** the Fulton Elementary School PTA!!

We encourage all families to join and become part of the T.E.A.M (Together Everyone Achieves More)! Great things happen when parents and teachers work together. The FES PTA touches the lives of each student directly throughout the academic year. Here are a few ways your family and the school benefits from the PTA:

- Representing the interests of the FES community to the Howard County Board of Education insures that Fulton receives necessary and appropriate resources
- Sponsoring family-oriented activities and programs for the entire community
- Supporting classroom activities by providing teachers with funds to purchase needed items
- Sponsoring teacher and staff appreciation week
- Providing a school directory, making it easier to keep in touch with other Fulton families
- Presenting high quality, cultural arts programs to enrich the Fulton learning experience...
- **And SO MUCH MORE!!!**

We cannot do this without your support!! Because we are totally volunteer-supported, everyone is encouraged to participate. We recognize that not everyone has the time to be an active member, but by simply becoming a member, you send an important message of support.

Please join the Fulton PTA today!

Membership is \$20/family (2 individual memberships included). Pay by cash/check (to Fulton PTA) or PayPal at <http://www.fespta.org/membership>. (Please submit form below and indicate PayPal payment).
