Instructions to Lab:

By accepting this prescription, you agree to fill it using only Valplast® brand of flexible denture material as per the prescribing dentist's request. Substitution of any material other than Valplast® is considered trademark infringement and mislabeling of a medical device.

Be sure to include the serialized Valplast® Certificate of Authenticity when delivering this and every Valplast® case. Appliances can be authenticated and registered by entering this serial number at www.valplast.com/register.

Thank you for choosing Valplast®!
