Planet Earth Adventures, LLC. agrees to rent to Customer, and Customer agrees to rent from Planet Earth Adventures, LLC., P.O. Box 93578 Anchorage, AK 99509 USA, the mobile satellite equipment, hereafter designated Equipment, described above, and except as otherwise provided herein, will continue until the end of the Effective Dates of Rental. The Customer agrees to use the rental equipment with Iridium services.

SECTION 3 – TERM OF AGREEMENT

The term of this Agreement begins on the Effective Date, as shown above, and except as otherwise provided herein, will continue until the equipment is returned to Planet Earth Adventures, LLC. as noted in the terms of the effective date and return grace period.

SECTION 4 – PAYMENTS & CHARGES

4.1 Rental Charges - Customer agrees to pay applicable rental charges and any other applicable fees **IN ADVANCE** prior to shipment to customer designated shipping address. A security deposit reserve as noted in Section 4.2 will be taken by Planet Earth Adventures, LLC. as security for the return of the equipment in good condition. A reserve is not a charge and Customer agrees to the acquisition of this reserve by signing this agreement. The Customer will return the Equipment at the end of the Rental Effective Date and will pay an equivalent daily rental rate based on the applicable rental rates for any time after the Effective Date and return grace period. Customer's credit card will also be charged the applicable airtime rates (for calls made during the rental period) and any other charges that may be due. Planet Earth Adventures, LLC. will present customer with an itemized call detail record for all calls made by the rental phone within 60 days after the end of the rental. Until Planet Earth Adventures, LLC. receives the Equipment, the Customer shall remain bound by the obligations of this Agreement.

4.2 Security Deposit/Reserve/Late Fees – A reserve against the Customer's credit card will be made as previously indicated, on, or before the Effective Date. Currently Planet Earth Adventures, LLC. charges \$1000.00 for the Iridium 9505A or 9555 as a security reserve. This reserve will be maintained by Planet Earth Adventures, LLC. and will be applied against any default of Customer in payment of rent or for damage or loss of the Equipment or other payment due Planet Earth Adventures, LLC. which is chargeable to the Customer. If the customer believes they may be late in returning the equipment, they must notify Planet Earth Adventures, LLC. prior to the expiration of the contracted rental period, or the phone's airtime may be suspended (which will render the phone inoperable). If the customer is more than one week late, the security reserve will be captured until the equipment is returned. When the equipment has been returned, the security reserve will be credited back to the customer minus all charges that have been incurred including any late fees and costs of the additional week(s) that rental was out. Upon termination of this Agreement, and after final airtime and other charges are paid in full, the remainder of the reserve will be released from the credit card.

PLEASE CONTACT YOUR CREDIT CARD PROVIDER AND LET THEM KNOW THAT PLANET EARTH ADVENTURES, LLC. WILL DO A HOLD FOR \$1000.00, PLUS THE CHARGE.

The Customer agrees to pay Planet Earth Adventures, LLC. any shipping costs for delivery of the Equipment to the Customer (as indicated above), and the Customer will pay for shipping costs for return of the Equipment to Planet Earth Adventures, LLC. designated storage location. The Shipping charges noted above are for shipment to any location in the Continental United States. Additional charges apply for shipping to other locations. Customer agrees that all data call attempts regardless of ultimate successful transmission and termination will be paid for and no credits will be given in the event of dispute of this nature. Along with potential incorrect use (i.e.: next to a building/obstruction), the Iridium system (a low earth orbiting satellite constellation) has inherent flaws and anomalies that can create dropped calls of either voice or data nature. Dropped calls will not be credited. Planet Earth Adventures, LLC. can provide data setup technical support beyond the normal provided setup instructions at an additional charge. Please consult with a sales representative for more details.

4.6 Taxes, etc. - Customer will either pay directly for any taxes or governmental fees such as, use, property, excise, customs duty or other taxes, license fees, assessments, permits or commissioning and registration fees relating to the shipment, activation and rental of the Equipment.
