Youth Living Jesus' Way

2016 SUMMER CAMP REGISTRATION BROCHURE

"As iron sharpens iron, so a friend sharpens a friend."

Proverbs 27:17

YoliJwa History . . .

DOUBLING GAP CENTER, once a turn of the century resort, took its name from the unique lapping of the Blue Mountains which form double gaps, resulting in a perfect horseshoe around the 150-acre facility. The famous Doubling Gap Springs Hotel attracted well-known guests, such as John Wanamaker and Ulysses S. Grant, who sampled the nutritious white sulphur spring water.

TODAY, the historic hotel maintains the charm of former days but with a new purpose. The Center provides a secluded mountain setting for all ages and denominations to retreat, refresh, and renew their Christian faith. It has been owned by the Eastern Regional Conference, Churches of God, since 1946.

... and Mission

DOUBLING GAP CENTER

exists to evangelize, disciple and train within the context of Christian fellowship. The mind, body, and soul are served in a natural setting.

CAMP YOLIJWA,

the summer camping program of the Eastern Regional Conference, Churches of God, is held at Doubling Gap Center. YoliJwa (Youth Living Jesus' Way) is designed to provide an opportunity for children, youth and adults to share in Christian living experiences. Basis for acceptance and participation in the program is the same for everyone, regardless of color, race, or origin.

YOUTH RESIDENT CAMPS

2016 SUMMER CAMPING OPPORTUNITIES

YOUTH RESIDENT CAMPS consist of eight age specific programs for youth entering 3rd-12th grades. Campers share in an experience filled with activities, Bible study, singing, crafts, nature, swimming, campfires, and much more, all in a Christian environment. Campers reside in dorm rooms (inside historic lodge) along with 5-8 other campers. Each room is supervised by a caring Christian counselor with the goal of befriending each camper and impacting his or her life forever. Each week of camp is led by a hand chosen set of co-directors who in turn recruit Bible teachers, vesper leaders, team leaders and room counselors. These staff along with the summer-long camp staff are committed to making each camp program the best it can be.

YOUTH CAMP (grades 10-12) provides campers with access to the full array of resident camping activities. Not only is the week packed with fun, but also the opportunity for spiritual growth through worship, seminars, and an experienced staff. Limited number of spaces available, so apply early!

YOUTH RESIDENT CAMPS

2016 SUMMER CAMPING OPPORTUNITIES

JUNIOR HIGH (grades 7-9) camps are split into three separate weeks. Jr. High campers begin to be challenged in their faith and experience more of YoliJwa's outdoor programs such as climbing, zip line, hiking, canoeing, paintball, horseback riding and survival skills while maintaining the resident camping programs and traditions.

JUNIOR (grades 4-6) camps are divided into three separate programs for each grade level. Campers begin to settle into a full week of camp with fun activities such as swimming, boating, low-ropes course, and large group games. Junior campers also experience regular morning classes involving nature, craft, and Bible!

**Junior #3 (4th grade) is now a 5 day/4 night program.*

JUNIOR #4 WEEKEND is for campers entering third grade in the fall. This two-night retreat is packed full of activities and is geared toward helping children adjust to camp life and possibly their first experience away from home.

CAMP H.O.P.E.

HELPING OTHER PEOPLE EXPLORE † June 5-10

CAMP HOPE

is a specially designed week for intellectually disabled adults. Each camper stays in a room along with 2-3 other campers. Every room is

assigned to a staff person who cares for camper needs, shares Christ's love, and encourages participation. Campers experience Bible classes and traditional camp activities, such as paddle boating, fishing, picnics, swimming and more! Acceptance into this program is determined by a separate registration form which will be provided upon request and due by May 6th.

FATHER/SON & MOTHER/DAUGHTER CAMP

July 30-31

August 14-15

FATHER/SON & MOTHER/DAUGHTER camps continue to bring excitement to our YoliJwa program! We are pleased to offer this program not only to children entering grades K-2, but also to a significant adult in their life who can accompany them. The intent of this camp is to give campers a glimpse of the fun that Camp YoliJwa offers, and provide self-confidence for future campers. These two-day camps will begin in the afternoon and end the following evening, allowing for quality time between the adult and child, while experiencing the great things about "Camp" that they'll value for years to come.

CABIN CAMPING

NEW to Camp YoliJwa for 2016

CAMP YOLIJWA is excited for our 2016 wilderness campers, as they become the first to use our new completed wilderness cabins! The YoliJwa wilderness camping program has utilized 2-person platform tents for the past 25 years and the time came for not only a replacement, but also an upgrade as we recognize the needs of this growing outdoor program. Each cabin is equipped with a cold kitchen, meeting room, bunk room, as well as bathrooms with showers. These facilities provide an upgrade as well as flexibility for our camps within the wilderness program. Not only will the new cabins be used in and through our summer camping programs, they will be made available for offseason rentals beginning in the spring of 2017. We're looking forward to see how God will use these facilities to not only grow our camping programs, but His kingdom too!

WILDERNESS CABIN CAMPS

WILDERNESS CAMPERS meet God up close and personal through living in His creation. These camp weeks experience sleeping in cabins, shelters or out under the stars. Campers help prepare daily meals and enjoy small group fellowship. Unique activities experienced only at YoliJwa's wilderness camps include: overnight hikes, backpacking, biking, off-site canoeing or tubing and campfire cooking. Wilderness camps offer three different levels of experiences to campers.

These campers will participate in a two-day off-site backpacking trip and at

least one other one-day off-site excursion (TBD). The remaining time is spent on-site participating in advanced wilderness activities such as orienteering, survival skills, and much more.
