ABOUT US

MXDC is Todd English's first Mexican restaurant. We offer traditional Mexican fare with a modern flavor. English has appointed well known Chef JC Pavlovich to helm the MXDC kitchen. English and Pavlovich created 40 dishes that range from classic Mexican tortilla soup to the sophisticated MXDC Paella, including vegan, vegetarian & gluten free options. The menu offers crowd-pleasers from throughout Mexico.

The MXDC bar program was designed by acclaimed mixologist JP Caceres. It includes hand crafted margaritas and 100+ tequila options, served in imported Mexican glass quartinos & half litre carafes. Tequila connoisseurs love our tasting menus, accompanied by salts, Mexican aromas & special essences to create an ethereal experience.

MEET THE CHEFS

TODD ENGLISH
Executive Chef / Partner

The internationally-renowned chef was inspired to create MXDC by his travels to Mexico, where he grew to love the rich flavors of the region.

Since opening his first restaurant in 1989, English has gone on to become a prolific restaurateur, chef, cookbook author & television personality. His restaurants can be found everywhere, from the Bellagio in Las Vegas to the high seas (Queen Mary 2 & the Queen Victoria). MXDC is one of his latest ventures, and his first Mexican cuisine.

JUAN CARLOS "JC" PAVLOVICH
Chef de Cuisine

Hailing from Tijuana, Chef JC Pavlovich has been brought on by English to oversee the MXDC kitchen & use his native roots to create authentic Mexican dishes. Iron Chef America fans may recognize Pavlovich as a Sous Chef on the show, having supported Julian Medina & Bobby Flay.
