PROFESSIONAL GRILLS

# ABOUT SUMMERSSET

Summerset™ Professional Grills offers a complete line of stainless steel grills, grill carts, BBQ islands, fire pits, doors, drawers, components and more. Our commitment to quality is reflected in the craftsmanship of our product and is backed by the full support of the Summerset™ warranty.

## OVER 18 YEARS OF LEADERSHIP

Summerset™ Professional Grills is a company born of experience. With 18 years of leadership in branding and manufacturing, our core focus is clear - to provide consumers with outstanding quality, exceptional service at great value

## RELIABLE PRODUCTS FOR EVERY BUDGET

Summerset strives to meet every outdoor living aspiration. We offer a wide range of affordable products from our Sizzler Series all the way up to our Alturi Series, without sacrificing an ounce of quality. No matter the budget, Summerset™ will deliver an outdoor experience that will create fond memories for years to come.

## SUPERIOR QUALITY

Here at Summerset we pride ourselves on using only the best materials. All of our products are made with the highest-grade stainless steel available, designed to withstand the high temperatures and greasy environments of outdoor cooking. We strive to maintain excellence in all we do and the result is a product you can count on.

# SIZZLER SERIES

Quality you can afford. The latest addition to the Summerset line, the Sizzler Series is a premium product at an unbeatable price. Constructed in all #443 stainless steel\* and designed with careful precision to ensure optimal airflow and even heating, this grill gives its higher-priced competitors a run for their money in both durability and grilling performance. The Sizzler will impress the most discriminating of grillers.

# ALTURI SERIES

The Alturi Series can be summed up in one word – luxury. Designed with elegance, fueled with raw power and loaded with every feature, this grill sets the bar for luxury outdoor cooking. Details like the angle-mounted interior lights, rotisserie storage and spring-assisted hood provide ultimate convenience, while its solid #304 stainless steel construction and high BTU Red Brass burners - the most durable in the market - guarantee lasting performance. When it comes to performance, quality and style, Alturi truly stands alone.
