Yard Sale, June 27th...

Rick and Julie Kittle, 23401 Gibraltar Road, Flat Rock have again opened their yard to a yard sale fundraiser on Saturday, June 27 to help us fund our ministries and operations.

Please bring in your donations of clean, working, and already priced (if possible) items such as: purses, toys (no stuffed animals), children's clothes only, small appliances, and other items you think people would be happy to purchase.

Help will be needed for set up, tear down and during the event. Plan your schedule around these days remembering that many hands make light work.

Father's Day Sunday, June 21st 10:30 a.m. Service

We'll celebrate and thank men on their special day. Bring all the men in your life, dads, grandpas, uncles, brothers, and neighbors for a special tribute on their day.

Saturday, June 6th has been set aside as our outside cleanup day. Please plan to be here with yard and garden tools. We need to get our yard in shape for planting.

Doug & Carol Truesdell belong to the Wm. Penn Association, a fraternal organization, and will be bringing and planting a donation of about 15 flats of flowers around our yard on June 13th. The only request they have of us is to have the planting areas dug up and ready. We'll make ready on:

**Saturday, June 6th
10 a.m. – 3 p.m.**

Volunteer Recognition...

On June 14th during the mass and before the Bar-B-Q, we will be recognizing all the volunteers who keep St. Michael's rolling throughout the year.

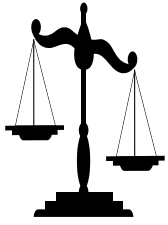

and

BBQ...

This year our Bar-B-Q will be on Sunday, June 14th following the 10:30 worship service. I heard mention of horse shoe competition as part of our picnic. If it sounds like fun to you, let Angie Knight know you think it's a good idea.

Please plan to bring a dish to pass to go with burgers and dogs.

Many thanks to those who serve.

Altar Flowers and Lamps...

In June the flower openings are 6/28 (one), 6/14 (both). Lamps are available 6/14 (both), 6/7, 6/28 (one). Flowers, when available, are \$15 each, and Lamps are \$7 each.

Please make checks payable to St. Michael's and contact Tracey Clinton by mail, phone, or in person to add the names of anyone you'd like to honor or memorialize with an altar lamp or flower arrangement.

Grass Cutting...

We need two more people to take a turn each month at cutting the grass (i.e. the first, second, third or fourth week)

and cleaning it off the sidewalk. This can be done by family units, people who team up to get it done and so on. Can someone please create a team? Occasionally it also needs weed whacking, edging and bushes/shrubs need pruning. **HELP!** We simply cannot afford to have it cut professionally and with teamwork it's only once a month.

Crop Walk donations...

Patti Bushway says thank you for your donations to Crop Walk which provides food here in the US and around the world. This year St. Michael's raised \$239.00 toward the cause.

From your Priest-in-Charge

My Dear Friends,

One thing that I've noticed at St. Michael's is that children are important to this community. We want to make a difference in the

world for them. We do that with our Tuesday Club, by sending our kids to a faith based summer camp, and by hosting a week long Bible Camp here for kids this July. I hear you agree it is important that we make a difference for all kids, those in our congregation and those in our neighborhood. To help us we have received two diocesan grants for the continuation of our Tuesday Club and for a week of bible camp.

The diocese has also noticed our outreach efforts -the Diocesan Youth Missioner, Eric Travis has chosen our parish to be the site of Episcopoozoa over Labor Day weekend. What is Episcopoozoa? Imagine our Kiddie Karnival on steroids! Everyone's invited: the whole diocese, our whole neighborhood. Games, food and fun for families – kids of all ages!

Another thing I've noticed, we are a spiritually healthy congregation. Think back over all the milestone events we have celebrated this past year. Our people want to share the joy of the sacraments with us. We've celebrated Baptisms, Funerals, Renewal of Marriage Vows, Confirmation, and we anointed the sick. We've blessed homes, and bicycles and Sunday school teachers and backpacks, and sent our tweens off to New Beginnings & Nightwatch with our blessings. We minister to each other, pray for each other, and hope to grow in this outreach.

But we live in the world. Our needs have a price. Our need for kids and our needs for the congregation. It costs time and money – talent and treasure. We need both to sustain and grow. You might not

have both in abundance but surely you have something to give. I want you to think about your giving – of course money, but also your gifts and talents, and your prayers and witness to what happens here at St. Michaels.

We have all 7 of our camp aged kids going to Stony Lake Episcopal/Lutheran Camp this summer. But we do not have the money to make this a reality yet. We need donations, we need fundraisers, we need more than we actually have at this moment.

It's no surprise that we have one year left of diocesan moneys to keep a priest in this parish. Your pledges are being met – each of you is doing a great job of supporting this church. You may not be able to stretch another buck out of your wallets. I don't honestly know. But I do know that at this level of giving, we will not be able to sustain in the near future what we are doing right now. By our reckoning at Vestry last month we believe we need to bring in another 8,000 dollars to meet our goal of this fiscal year, 2015.

This is not meant to be depressing. It's just part of the way we live in the world. But we are not of the world. We are an Easter people and at St. Michael's we are experiencing a time of resurrection. We are coming alive now. Maybe we feel like we're struggling out of tightly wrapped linens, our eyes are squinting at the bright light, and we're hobbling on legs weak from disuse. But feel it! Breathe in the fresh air. We are entering new life. Be a witness to the excitement. Christ is in us and protects us and sends us. Since we are on his mission, I am convinced that we will make a difference in our ministry and mission here. I know you share this faith with me! Amen!

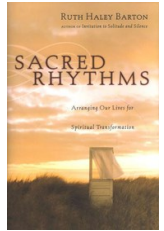

Your priest,
Paula+

Welcome to our new advertiser – KOREAN KARATE ACADEMY

As you all know our parish not too long ago had self-defense sessions led by one of our own – Tom Clinton. Tom is a 4th Degree Master in the martial art of Tang Soo Do and is the head instructor of the Korean Karate Academy of Allen Park.

Tom started his training in 1977 under the late Master Edward Ormanian. He has trained with and has attended many seminars led by Grand Masters. He has had training in several different arts as well including Wing Chun Kung Fu, Judo, and Tai Chi.

His club was formed in 1968 by his late Master Edward Ormanian and has been in the downriver area for over 45 years. Most of those years have been in the Allen Park Recreation program. This pro-

gram is not just about self-defense. This program will guide students toward more confidence, discipline and respect for others as well as themselves not to mention all while getting a great workout.

Classes are Tuesday & Thursday. Drop by at the Allen Park Community Center at 15800 White and sign up. Call 313-928-0771 to check when the next session starts.

Camp Donations...

We are very blessed that all seven of our camp age kids are registered and excited to attend Stoney Lake Episcopal/Lutheran Camp this summer. They will spend from Sunday afternoon through Friday in a setting that exposes them to God's glorious creation and the ability to openly praise God with others who share their beliefs.

This experience allows kids to grow in faith and learn about who they are as a unique child of God with unique gifts and talents. They will also have opportunities to be a leader - whether leading a grace at a meal, leading their peers in worship, or leading the entire group at campfire.

Historically, young people who attend these programs tend to stay with the church throughout their lives.

The only way most of these kids can attend is with your help. A week at Stoney Lake runs \$375. There are individual scholarships and diocesan grants which we have applied for, but that can't cover our entire cost. Any amount that you can give will help our children have this wonderful opportunity to grow in their faith.

Please make checks out to St.

Michael's and put Kids Camp in the memo portion.

Mud Hens Game...

Save the date, **Friday, July 17** for an outing to a Mud Hens game in the Toledo area. The tickets are generally around \$12 per person. This year for any one interested, we plan to get there fairly early so there's time to go to Tony Packo's for dinner before the game.

Ordination joy...

It is with great joy we congratulate **Lynda Carter** on her ordination to the priesthood on **Saturday, June 13th at 11 a.m.** followed by a reception at Grace Episcopal Church, Southgate at 3:30

p.m. (a sign up sheet will be available). If possible, please wear red as we have at previous ordinations.

Lynda began her priestly journey at St. Michael's when we were exploring the Total Ministry program and though St. Michael's took a different course, she heard God's call to continue on the path to becoming a priest. Following the service she will begin the rest of her journey in answering the call.

We are all invited to the Cathedral for this special service to support Lynda as she begins a new phase of her journey.

In the spotlight...

The News Herald featured two of St. Michael's own this week.

The Sunday issue article was about the establishment of an arts foundation by Sandy Garbovan in memory of her daughter Jennifer. Jennifer, a very talented singer and performer, lost her life

in a car accident last December.

In memory of her artistic daughter, Sandy began "An Amazing Woman Foundation" as a non-profit that will award scholarships to local young girls in the fields of singing, dancing, acting, writing, painting or other artistic endeavors.

"An Amazing Woman Foundation" is hosting a fundraising event *Opening Night: An Evening to Remember* from 5 to 11 p.m. June 6th at the James R. DeSana Center at 81 Chestnut Street, Wyandotte. Tickets are \$25 and include hors d'oeuvres, soft drinks, entertainment and a silent auction; available at eventbrite.com or phone 734-759-7770 for more information or anamazingwomanfdn@gmail.com.

And the Wednesday edition had an article about Bill Horne and his dad, Arthur, building a 10-foot totem pole as a yard/garden ornament which gets a good deal of attention as people drive by dad's home in Trenton.

The story included a great picture of them with the totem pole on the front page of the Downriver Life section.
