

NCI Summer Ag Academy

SPONSORSHIP FORM

Attracting and developing strong, new professionals to the industry is becoming more difficult. Developed at the urging of our industry partners, the first ever NCI Summer Ag Academy addressed this issue. This year we're at it again. The Academy will engage up to 60 high school students in an intensive career exploration experience related to food science, animal science, and international trade. Students will participate in tours, presentations, and hands-on activities intended to highlight the incredible career opportunities in the field of agriculture. They will be exposed to world-class facilities, speakers, and activities. Students will also be able to earn two college credits. Preference will be given to students from Minnesota, Montana, North Dakota, and South Dakota, but the opportunity is open to all. The academy will be held June 10th-14th, 2024 on NDSU's campus.

We need your support through sponsorship. NCI is attempting to provide the Academy at no cost to students. To do this, we must raise over \$80,000. Careers with sponsors will be highlighted throughout the Academy, and sponsors may have the opportunity to interact with participants virtually or in-person.
