One of the most scenic public golf courses in the Twin Cities area, Chomonix (pronounced "SHA-MOE-NEE") is a championship 18-hole, par 72 course. Chomonix is a hidden jewel in the Twin Cities, providing a golf experience similar to many northern Minnesota courses without the travel! The course location on Rice Lake in Lino Lakes supports a variety of wildlife and native habitat that makes an ideal setting for golf, with tree-lined fairways and water coming into play on at least 9 of the 18 holes. Playing Chomonix from the championship tees can provide a true challenge for an experienced golfer, while the forward tees give the less-powerful or occasional golfer an enjoyable round. With just the right amount of doglegs and blind shots, this course provides many risk/reward challenges during your round. No matter what your golfing ability, riding or walking, everyone can take full advantage of the unique natural setting and the scenic grounds at Chomonix. Our clubhouse features a snack bar and a pro shop to accommodate your needs in preparation for or during your game. We offer classes and lessons with our club Pro. Our banquet room is also available to rent for special occasions.
