

You're invited to come taste and explore Local Fruit & Farming!

Saturday, May 16, 1:00 – 3:30pm

4419 Shore Acres Rd., Monona WI

\$20 suggested donation

Includes workshop handouts, plant lists,
garden/planting demos, tastings and a plant to
bring home.

Highlights: Planting Tips for fruit care -

- Intro to Forest Garden Design
- Learn plants that thrive in sun and shade, cold hardy fruits and Wisconsin natives
- Tips on pruning and transplanting

- Taste and sample unique fruits and fruit products from
currants and saskatoons to mulberries and elderberry

-Meet your farmers Erin & Rob from Hilltop Community Farm and Ian from
Living Earth Community Farm and hear about their new
“Fruit n Farm Currantcy” program

-Leave the event with recipes and resources on growing and
eating local fruit and a plant or two to grow at home.

Come be inspired by the possibilities!

Space is limited so **please RSVP** to Ian at
ian.aley@gmail.com **by Wednesday, May 13**
