TORLYS Peace Of Mind Rating

HAMPTON LAMINATE

The Hampton Collection has a range of beautifully designed styles from distressed, rustic looks to smooth furniture finish, all with realistic edge details that create an authentic wood plank look.

**High Shade Variation

HAMPTON LAMINATE

The drama and beauty of hardwoods in a variety of realistic distressed or furniture finish looks.

Plank: 5/16" (thickness) x 4-7/8" (width) x 47-1/4" (length)
8 mm (thickness) x 123 mm (width) x 1200 mm (length)

The Look

The surface design and colour roll over the edge of the plank for a truly authentic 5 inch wide plank look.

The Feel

Sophisticated or rustic, timeless and charming

The Details

4 sided rolled bevelled edges

by **SCS**certified.

LEED[®]

TORLYS Smart Floors can assist in acquiring LEED[®] certification for most building projects. Please visit <http://builder.torlys.com/leed>.

TORLYS is a member of the Canada Green Building Council, an association dedicated to the design and construction of green buildings in Canada.

These TORLYS Laminate Floors have earned the North American Laminate Flooring Association (NALFA) Certification Seal by passing a series of rigorous tests designed to evaluate the floor's performance, durability, strength and overall quality. You can be assured that you're getting the best quality the industry has to offer.

WHY SMART LAMINATE?

Superior performance is built in to every TORLYS Smart Floor:

- A transparent overlay of extremely wear resistant melamine resin and aluminum oxide that is warranted for up to 35 years.
- Patented Uniclic[®] Joint resists ugly gapping when 30-60% humidity is maintained. No other joint outperforms TORLYS Uniclic[®] Joint.
- Move It and Re-use It—every TORLYS floor can be disassembled and re-used in another room or home.

STARTS BEAUTIFUL, STAYS BEAUTIFUL

TORLYS Hampton Laminate is a stunning floor created with minimal environmental impact. TORLYS Smart Laminate is easy to install and maintain, and designed for long-lasting beauty.

SMARTER USE OF NATURAL RESOURCES

Do more with less — TORLYS Laminate Floors are made in Europe and North America. North American produced Laminate floors contain no less than 74% recycled and fast growing softwood from managed forests for its high density Smart Core.

AC RATING: AC3

Flooring is durable enough for general home use in all traffic areas, and can be used in a professional setting with light foot traffic.

SMART UNICLIC[®] JOINT TECHNOLOGY

TORLYS Smart Uniclic[®] Joint Technology has the strongest-possible joint in flooring today. Constant lower lip pressure creates the tightest joint and is tested to withstand extraordinary joint stress —more than 1,000 lbs of pressure per linear yard is needed to pull apart two TORLYS planks. The joint is also milled to 1/1000 of an inch for the most exacting fit.

HEALTHY HOME

All TORLYS Smart Floors and underlays are CARB (California Air Resources Board) compliant and meet the Healthy Home requirements set by the European (E1) and California (Section 01350) indoor air quality standards – the most stringent in the world.

TORLYS BULLDOG[™] EASY PLANK REPLACER

TORLYS Bulldog[™] Easy Plank Replacer allows you to replace a damaged plank, not your entire floor. No glue. No nails. No staining. You can fix major mishaps quickly and easily, and renew your floor without sanding or refinishing.

HABITAT FOR HUMANITY

A long-time sponsor of Habitat for Humanity, TORLYS supports the rebuilding of strong, viable communities through the donation of flooring. You can help as well. Every TORLYS floor can be disassembled and re-used in another room or home. You can even donate it to a local Habitat for Humanity[®] ReStore.
