IMPORTANT NOTICE

We are pleased to advise you that W.R. Grace’s Plan of Reorganization became final on February 3, 2014. Consequently, W.R. Grace has now funded the Zonolite Attic Insulation Trust from which eligible ZAI claimants will be paid.

A court authorized this notice. This is not a solicitation from a lawyer.

The ZAI Trustee appointed by the Court is Edward B. Cottingham, Jr. The claims facility has been established to receive and process claims and make disbursements to ZAI claimants. It is expected to be fully functional by June 16, 2014. To make a claim, you must submit a Claim Form and required documentation to establish that Zonolite Attic Insulation is, or was, installed in a structure that you own or rent and that funds have been expended to remove, abate, or contain the Zonolite Attic Insulation. This Notice explains how to obtain a Claim Form to make a claim.

How to Submit a Claim

Beginning June 16, 2014, you may obtain a Claims Package and submit a claim in one of the following ways:

1. The Claims materials are available online at www.zonoliteatticinsulation.com. You may fill out the Claim Form online and submit it to the Trustee electronically, or you may print the Claim Form and send a copy to the Trustee.
2. You may request that a copy of the Claims materials be mailed to you by either calling the ZAI Trust Toll-Free number at 1-844-924-2255 (1-844-ZAI-CALL), or by requesting it via email at info@zaitrust.com.

Your claim form and documentation may be sent via web form, email, mail or overnight delivery.

Please see reverse side for contact information.
