R&R Textile Mills Inc.

Meeting your everyday textile needs...

About Us

R&R Textile Mills Inc is a leading manufacturer, importer, and wholesale distributor of textile products. Based out of the Midwest, R&R has been supplying textile products throughout the continental United States for almost 20 years.

- Our main manufacturing facilities are based in India (Tamil Nadu) and Bangladesh (Dhaka). However, we also source a portion of our products from both China and Pakistan.

- Our central distribution facility is based out of Lombard, IL. Our other distribution facilities are based out of Vernon, CA and Wilmington, DE.

Our Customers

Our customers represent our strength and foundation. In our continued pursuit of excellence within the textile industry, our commitment to our customers is resolute.

From healthcare to hospitality distributors, to retail chains and restaurant suppliers, our product line and customer base is constantly evolving. As such, our customers are partnered under one of our 3 divisions:

MICROVENT PILLOWS

Durable without sacrificing comfort, the microscopic air vents as well as an antibacterial, antistatic, flame retardant and fluidproof finish make these pillows an ideal choice for healthcare facilities.

SILICONE FIBER PILLOWS

The poly-cotton ticking with extra hollow siliconized fiberfill of these pillows provides ideal comfort and support. The 22 oz. fill meets the fill weight for most hotel properties.

MICRO DENIER PILLOWS

Soft micro fiber filling provides a down-like feel. Pillow has a 100% cotton T230 ticking with piped edges.

COMFOREL PILLOWS

The 100% cotton T230 ticking with piped edges and Dupont cluster fiberfill provide both comfort and support. The hypoallergenic and antimicrobial protection inhibits a variety of odor causing molds, bacteria, and fungus.
