Incorporating 100 Years of Wisdom in Every Safe

That's right. For 100 years SoCalSafe has set the standard for strength, quality and customer care in the security industry. Our longevity is testimony to our commitment to protect your loved ones and your assets in all of our security products.

With our International Fortress Gun Safes we incorporate the most innovative materials and technologies in every safe we build. All of our gun safes include U.L. listed locks and are constructed to the industry's highest anti-burglary and fire protection standards that will give you peace of mind.

Our friendly and knowledgeable staff is here to guide you in finding exactly what will meet your security requirements. International Fortress Gun Safes has the widest selection of safes at the most affordable prices.

Count on International Fortress from SoCalSafe, the most experienced name you can trust. Call us today! There has never been a better time to speak to a team member.
