

# English Transfer Pathway

for Ohio Community College students  
transferring to Baldwin Wallace University

November 2022

This document outlines the [Ohio Guaranteed Transfer Pathway \(OGTP\) in English](#) that has been designed to provide clarity and consistency for college courses transferring between Ohio 2-year and 4-year public institutions.

This same transfer pathway in English is now approved for students transferring to Baldwin Wallace University, through a partnership between 11 Ohio community colleges and 14 private colleges called the [Ohio Consortium for Transfer Pathways to the Liberal Arts](#), and whose faculty and administration have collaborated to expand access and credit clarity for students transferring with an associate's degree from an Ohio community college to an Ohio private college or university.

Pages 1 & 2 of this document outline **community college courses that are approved statewide** for transfer credit toward the bachelor of arts degree in English at an approved 4-year institution. Pages 3-9 show how these courses transfer to Baldwin Wallace University to meet bachelor degree requirements.

## How English Pathway Courses Transfer to Baldwin Wallace University

A student transferring to Baldwin Wallace University with the English transfer pathway and Associate of Arts degree completed will receive a maximum transfer of 60 credits, placing them at junior standing. Baldwin Wallace University's A2BW program waives the BW general education requirements when a student completes 24 credits of OT36 approved coursework as part of their associate degree, including the equivalent of the OT36 Second Writing Course and an OT36 Mathematics course. All introductory major courses can be completed as part of the associate degree, through planning with a transfer advisor.

Students interested in transferring to Baldwin Wallace University should meet with an admission counselor regarding optimal course selection and admission requirements. The following table outlines how transfer credits from the English transfer pathway and associate degree will be applied to the Bachelor of Arts degree at Baldwin Wallace University, with majors in English and Creative Writing.
