

Pineapple Hospitality Enters San Diego with Hotel Z

BELLEVUE, WA--(May 27, 2015) - **Summary:** Pineapple Hospitality Company, a hotel management company headquartered in Bellevue, WA, is pleased to announce their entrance into the San Diego hotel market.

Pineapple Hospitality Company announces the purchase of a hotel property on 6th Avenue, in the heart of the Gaslamp Quarter. Currently in the midst of conversion, the hotel will open under the name Hotel Z. At this time, the hotel is taking reservations for stays beginning August 1.

Hotel Z is Pineapple Hospitality's second property in California. In addition to The Hotel California in San Francisco, they own and operate four hotels in Seattle and one in Portland, OR. "We chose San Diego because it complements our core values in that we offer properties in high-demand locations," said President Michelle Foreman Barnet. "All six of our properties are in strong markets, and this addition gives our Pineapple guests good coverage of the West Coast from the Pacific Northwest to Southern California. We are delighted to offer our Pineapple hospitality in San Diego, and we know our guests will be excited by the amazing location."

Hotel Z will open after a total redesign of the original property. Upon opening, guests will enjoy the same Pineapple Hospitality service and amenities as offered in other hotels, including complimentary wireless internet and free bike check-outs, dog-friendly accommodations and a daily cupcake and coffee reception.

"We are so excited to have entered this market," stated Barnet. "The location between Island and Market on 6th Avenue is superb." The four-story, 96-room property is located in the heart of San Diego's Gaslamp Quarter, is three blocks from Petco Park and four blocks from the San Diego Convention Center.
