**Mississippi & Alabama Chapters of
the American Planning Association**

JOINT ANNUAL CONFERENCE

14

SEPTEMBER

IT'S NOT JUST LAND USE ANYMORE

16

FROM THE PRESIDENT

Welcome to the Mississippi Gulf Coast!

On behalf of the Mississippi Chapter of the American Planning Association we are excited about our 2016 Annual Conference entitled, "It's Not Just Land Use Anymore." With numerous sessions across a variety of topics, the conference will demonstrate how our profession continues to evolve and expand.

We are happy to be joined by the Alabama Chapter of the American Planning Association for this conference. This marks the third consecutive year that we have partnered with APA-AL. Over this brief period of time we have made many new friends, and we look forward to seeing them again.

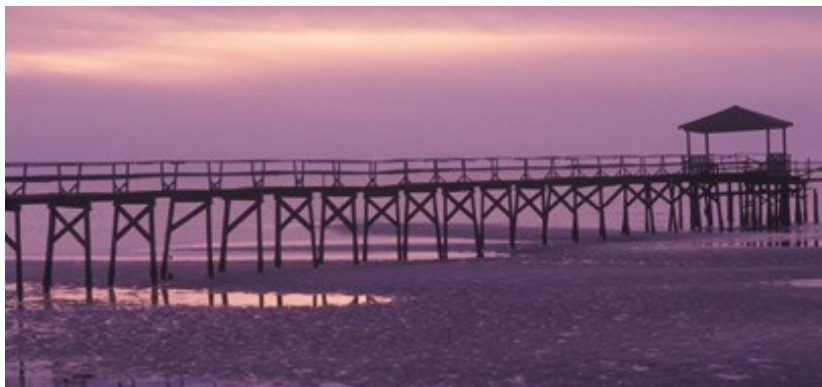

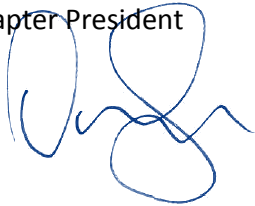

The 2016 conference will be held at the Beau Rivage Casino and Resort in Biloxi from September 14-16. The conference will involve a series of workshops, interactive sessions, and roundtable discussions led by skilled planners from across the country and region. AICP members will have the ability to acquire approximately 15 CM credit hours during the three-day event. In addition, we have added several sessions on the opening day designed for young professionals and students.

The Mississippi Gulf Coast has made tremendous strides since Hurricane Katrina but the scars are still present. The resurgence of the area should be applauded, and we hope to show it off! We will look at these efforts and those by other cities across the states of Mississippi and Alabama.

At the conference, presenters will provide planning lessons and perspectives from across both states and the nation related to planning in smaller communities, transportation, economic development, historic preservation, and environmental issues. Sessions on ethics and the law will be provided, and the Chapters will conduct their annual business meeting.

On behalf of the entire team at APA Mississippi, including conference committee, let me extend a very warm Gulf Coast welcome to all of our APA members from both Mississippi and Alabama, to our allied professionals and guests, and to the many friends of planning, as we catch up, learn, and share experiences at this year's conference. I look forward to seeing you here!

Donovan Scruggs, AICP
Chapter President

Greetings.

It is a pleasure to welcome you to Biloxi to attend the Annual Alabama/Mississippi American Planning Association Conference taking place Sept. 14-16, 2016.

Biloxi is one of the oldest communities in the country, dating back to 1699. Today, our community is filled with many historic sites, including the Biloxi Lighthouse, and the Biloxi City Hall, educational museums, first-class accommodations, restaurants, casinos, deep sea fishing, and, of course, the world's largest man-made sand beach.

In Biloxi, we cherish and promote our history, culture and diversity. Biloxi is a city that offers its residents an excellent, authentic, unique quality of life and visitors a first-class experience with plenty of family orientated attractions.

Our goal is to keep this place – the Biloxi we love – safe, friendly and beautiful. I hope that you are able to attend the conference, gather a wealth of knowledge and enjoy what all this city has to offer.

All the best,

Andrew "FoFo" Gilich

CONFERENCE LOCATION

BILOXI, MISSISSIPPI

Biloxi is one of the oldest communities in the country, having first been settled in 1699. Today, the city is a cultural melting pot, with a year 'round schedule of celebrations, set against a backdrop of sugar-white sand beaches, great deep-sea or freshwater fishing, an array of championship golf courses, museums and historic sites, tantalizing seafood restaurants, and the excitement of 24-hour non-stop casino resorts.

CONFERENCE HEADQUARTERS

This year's conference will be held at the Beau Rivage Resort and Casino in Biloxi, Mississippi. The Beau Rivage is located on the Mississippi Sound and adjacent to MGM Park. With entertainment and activities at the Resort and other dining and recreational options within walking distance, you should have no problem finding something to do!

GET OUT AND SEE THE COAST!

Mobile workshops will demonstrate the successful efforts of Gulfport and Ocean Springs. Pack your running shoes for an early morning run to see how Ocean Springs has transformed its beachfront into a more active attraction. Two great receptions are planned at the Beau Rivage's Gulf Terrace and the Walter Anderson Museum – Community Center. These beautiful venues will provide opportunities to catch up with friends and relax....Gulf Coast style.

THE MISSISSIPPI PLANNING INSTITUTE

In an effort to provide the much needed training to planning commissioners, board of zoning appeal members, locally elected officials, city staff, and others, APA Mississippi has partnered with the Stennis Institute of Government and Community Development at Mississippi State University and the Bouchillon Institute of Community Planning to develop the Mississippi Planning Institute (MPI).

This new educational opportunity will offer planning commissioners, board of zoning appeal members, locally elected officials, city staff, and others involved with local planning decisions a basic understanding of planning principles. This workshop will help local decision makers not only gain greater expertise in the area of land use planning, but also aid them in their decision making.

The training will focus on the fundamentals of planning and zoning, along with the ethical considerations associated with land use planning. Some of the important topics covered during the MPI workshop will include: what is community planning and why is it important, what are some of the roles and responsibilities of the various public bodies when it comes to local planning, and what are some of the legal issues impacting land use planning and regulations.

Planning commissioners, board of zoning appeal members, locally elected officials, city staff, and others involved with local planning decision process are encouraged to participate in the MPI.

For additional information regarding the MPI, please contact the Stennis Institute of Government and Community Development.

WEDNESDAY September 14

at the Beau Rivage

9:00 to 12:00

Exhibitor set-up (*Foyer-Camellia*)

10:00 to 12:00

Keeping Up and Standing Out: The Carver-Jeter Plan (Opelika, AL) – Aaron Fortner, AICP and Jimmy Wright (Magnolia E, F) **1 CM**

Planning Tools for Linking Rural Development and Transportation - John Poros (Magnolia G, H) **1 CM**

Conference adjourns

*All CM sessions are tentative and are in the process of being approved. Several sessions have been approved for Continuing Education Credits (CECs) for Certified Floodplain Managers.

*Please note: Conference session topics, speakers, and times are subject to change without notice. Credits may be available for other professional organizations although they may be self-reporting.

CONFERENCE SPEAKERS

Bob Barber, FAICP

Bob is a planner and founding partner of Orion Planning Group and is the Region III representative on the AICP Commission.

Ashley Edwards

Ashley was named President of the Gulf Coast Business Council in December 2015. He previously serves as CEO of the Hancock Port and Harbor Commission.

Jeff Barnes, AIA

Jeff is partner/senior designer for Dale Partners Architects P.A. He has over 35 years of experience in all phases of architectural design process.

Elizabeth Englebretson

Elizabeth is a Public Design and Landscape Architecture Intern with the Gulf Coast Community Design Studio.

Shayla Beaco

Shayla is Mobile's Senior Director of City Planning. She previously worked in the City of Mobile's long-range planning division .

Jay Estes, AICP

Jay is a senior principal planner with Allen Engineering in Hattiesburg, specializing in grant writing and environmental planning.

Patrick Bonk

Patrick has been the Zoning Administrator for Harrison County since 2000. Prior to joining Harrison County, he was a staff planner for the City of Gulfport, Mississippi.

Aaron Fortner

Aaron is a Principal, and founder of the Canvas Planning Group in Atlanta, Georgia. Aaron has twenty years of experience in community planning and design.

Thomas M. Booth

Thomas is the Director of Aeronautics at the Mississippi Department of Transportation. Mr. Booth is affiliated with the National Association of State Aviation Officials.

Jim Foster

Jim is the Assistant Executive Director of the Gulfport-Biloxi Regional Airport Authority. He retired from the United States Marine Corps Reserve as a Lieutenant Colonel.

George Carbo

George Carbo retired as a member of the American Institute of Certified Planners in 2014 after a 20+ year planning career working in the public and private sectors.

Vic Franckiewicz

Vic focuses his practice on governmental and administrative law, zoning and land use, environmental regulation, and real estate development.

Josh Cameron

Josh has a Masters of Community Planning from Auburn University. He currently works for r360 Real Estate Research and Marketing in Birmingham .

Jennifer Gregory

Jennifer is the Chief Executive Officer of the Greater Starkville Development Partnership, a community development organization.

Dr. Moe Chowdhury , AICP

Moe is an assistant professor of urban and regional planning at Jackson State University and serves APA Mississippi as professional development officer.

Thomas Gregory, AICP

Thomas is currently the Chief Administrative Officer for the City of Greenwood, administering projects and implementing the comprehensive plan .

Roy Decker

Roy is a principal with Duvall Decker Architects, located in Jackson, Mississippi. Duvall Decker Architect's work includes community planning and affordable housing.

Marian Hanisko

Marian joined the NOAA Office for Coastal Management in 2010 as a Coastal Management Specialist with The Baldwin Group.

Stephen Deal

Stephen serves as an Extension Specialist in Land Use Planning for the Mississippi-Alabama Sea Grant Legal Program and provides technical assistance to the gulf coast.

Alan D. Hoops, PLA, AICP

Alan is the Director of Environment & Design for the City of Madison, Mississippi. Alan previously served as the Director of Community Development for the City.

CONFERENCE SPEAKERS

Dianne Irby
Dianne joined the City of Mobile Mayor's Staff in February 2014 as Executive Director of Planning and Development.

Niki L. Pace
Niki is a senior research attorney with the Mississippi-Alabama Sea Grant Legal Program at the University of Mississippi.

Kelvin Jackson
Kelvin is a planner for Harrison County, Mississippi and formerly worked as a planner for the City of Gulfport, Mississippi.

Jocelyn Poe, AICP
Jocelyn received a Master of Community Planning from Auburn University after attaining a Bachelor of Architecture degree from Tuskegee University.

Leigh Jaunsen AIA, LEED AP
Leigh serves Dale Partners Architects P.A. as a partner. Having opened our Biloxi office in 2006, Leigh continues to oversee that location and is a registered architect.

John Poros
John is an Associate Professor in the School of Architecture at Mississippi State University. He is currently the director of the Carl Small Town Center.

Kelsey Johnson
Kelsey is a community planner with the Gulf Coast Community Design Studio.

Margo Posten
Margo is the Coastal Training Program (CTP) Coordinator for the Grand Bay NERR, which is managed through the Department of Marine Resources and NOAA.

Shelly Johnstone, AICP
Shelly is a planning consultant with Johnstone & Associates and is the former director of community development for Hernando, Mississippi.

Christian Preus, ASLA
Christian is the owner and Principal of Christian Preus Landscape Architecture, a design and planning firm with offices in Fairhope, Jackson, and Ocean Springs.

Charlene M. LeBleu, AICP, FASLA
Charlene is an Associate Professor and Chair of the Landscape Architecture Program at Auburn University, Auburn, AL.

Saunders Ramsey, PE
Saunders joined Neel-Schaffer in 2011 and serves as the Engineer Manager for Neel-Schaffer's Starkville (MS) office.

Stephen McNair, Ph.D.
Stephen is the owner and senior consultant of McNair Historic Preservation, Inc., a national full-service historic preservation consulting firm.

Rebecca Retzlaff, AICP
Rebecca is an Associate Professor and Director of Auburn University's Community Planning Program in the College of Liberal Arts.

Wade Morgan, AICP
Wade has 38 years of experience in multiple areas of local planning. Since April of 2016 he has been Planner for the Mississippi coastal city of Ocean Springs, Miss.

Adam Rosa, AICP
Adam is a Senior Associate with Camiros and leads Camiros' Choice Neighborhoods planning efforts.

Brian J. Morton, Ph. D.
Brian has more than 30 years of experience in research and policy analysis, technical assistance, and communications and outreach related to sustainable communities.

Jacqueline Rose
Jaqueline is the Regional Coordinator for the Gulf of Mexico Coastal Training Program. Jacqueline has 18 years of project management experience.

Paul Nelson, MD, MPH
Paul volunteers as the Mississippi At-Large Delegate for the National Association of Railroad Passengers (NARP). He is also an active duty Colonel in the Air Force.

Knox W. Ross, Jr.,
Mayor Ross is the Mayor of the Town of Pelahatchie, MS, and also serves a dual career as a practicing Certified Public Accountant. He is a principal in Ross & Betts, PLLC.

CONFERENCE SPEAKERS

Donovan Scruggs, AICP

Donovan has been a practicing planner in Mississippi for over 20 years. At present, he is the City Planner/Director of Planning and Building with the City of Pascagoula.

John Spain

John serves as the Vice-Chair for the Southern Rail Commission and principally serves as the Executive Vice President of the Baton Rouge Area Foundation.

Tracie Sempier

Tracie is the Coastal Storms Outreach Coordinator for the MS-AL Sea Grant Consortium. She is also the Regional Program Manager for the Gulf of Mexico Alliance.

Chris Watson, AICP

Chris is an urban and regional planning consultant and owner of the planning consulting firm of Bridge & Watson, Inc., in Oxford, Mississippi.

Edward H. Shambra, AICP

Ed has served as the Executive Planner for the City of Biloxi for the past 26 years and has been involved with the review of all casino establishments in Biloxi.

Greg White

Greg has served on the Southern Rail Commission for six years as an Alabama Commissioner, appointed by Governor Bob Riley in 2010.
