AGES 6 - 12

AGES 12-14

JUNE 15 – 18

MORNING CAMPS

9 AM – 12 PM

SILLY SCIENCE

Come to the camp where art & science collide. Can melting ice make a painting? Can the sun take a picture? Love to experiment and ask questions? This is the camp for the young scientists to get messy and explore, all while finding out how the world really works. (Ages 4-6)

STILT WALKING 101

Do you dream of being in the Circus? Or the tallest kid on your block? Come work with professional stilt walkers who will teach you how to balance, move, and walk high above the crowd. (Ages 6-12)

MARBLES EXTRAORDINAIRE

Love to play with marbles? Do you imagine loop-de-loops or upside down mazes? In this class you'll design and create 2D mazes and 3D marble runs using recycled materials and basic tools. You'll also learn a few marble games from around the world and explore some basic physics along the way. (Ages 6-12)

DRAWDIO'S SOUND STUDIO

A Drawdio is an electronic sound synthesizer built onto a pencil. No two are alike. In this camp we will build our own sound synthesizers & invent electrical gadgets that make noise, all while exploring the mysteries of sound. (Ages 6-12)

FANTASY ART CAMP

A camp designed for a great imagination. Be the King or Queen of your own castle, ride a space ship to stars or create your own puppet plays. This camp is all about the beautiful world of make believe. (Ages 6-12)

TOY REINVENTION

In this class we'll take apart toys & then reassemble them to create crazy sculptures. Picture a Barbie's head on a dinosaur, or a gorilla with wings. This is the place to invent all the crazy creatures one sees in their dreams. (Ages 6-12)

STORYTELLING YOGA

Yoga comes to life in this storytelling-based class! We'll craft a story using our imaginations while incorporating yoga poses, breathing, and relaxation techniques. The class will enhance language development, fine and gross motor skills, mindfulness, spatial awareness, and creativity. Together, we'll become dolphins, pirates, mountains, and eagles! (Ages 6-12)

GO, GO, GADGETS!

Have you ever wanted to build a flashlight no bigger than your finger or a radio that fits in the palm of your hand? We love gadgets. We love gadgets so much we are filling a week with these crazy creations. (Ages 6-12)

AFTERNOON CAMPS

1 PM – 4 PM

JUNE 22 – 25

MORNING CAMPS

9 AM – 12 PM

OUR FARM IN THE CITY

We'll felt with wool & plant our own vegetables, all while exploring science and ways to care for the earth. Come explore the chicken coop at GRS, while we make farm art & even our own jam. (Ages 4-6)

STILT WALKING 101

Do you dream of being in the Circus? Or the tallest kid on your block? Come work with professional stilt walkers who will teach you how to balance, move, and walk high above the crowd. (Ages 6-12)

MOSAIC MAHEM

Let's break some tiles with hammers and throw dishes on the ground. Mosaics are puzzles made with irregular pieces of tile and grout. Anyone can do it!!! In this class learn the basics of mosaic design & build wonderful treasures to take home. (Ages 6-12)

LATIN AMERICAN ADVENTURE

Come explore the home of some of the most beautiful art in the world, all while learning about this amazing culture. We'll use metal tooling from Mexico, fabric molas from Panama and build our own Tap Tap buses from Haiti. No passport required. (Ages 6-12)

PUPPET PALOOZA

An ultimate puppet camp!!! From rods to wire, we'll build puppets taller than our bodies & smaller than our thumbs, then act out imaginative tales. (Ages 4-6)

OH MY TIE-DYE- T SHIRTS!

If you were in charge of making your own clothes, you'd be the smartest dressed kid on the block. From dye to beading to stencil design, we'll create art you can wear all summer long. (Ages 6-12)

MYTHOLOGY'S MAGIC MONSTERS

Griffins! Golems! Cyclops! We'll build mythical creatures from thrilling legends and tales. Come create great beasts that move, fly and ROAR!!! (Ages 6-12)

JUNK DRAWER DESIGN

We love junk! We love making art from things that others throw away. Do have a great use for rubber bands? Springs? Explore basic engineering skills and we'll bring all the junk drawers you could ever imagine. (Ages 6-12)

AFTERNOON CAMPS

1 PM – 4 PM

JUNE 29 – JULY 2

MORNING CAMPS

9 AM – 12 PM

SUPER-DUPER HERO CAMP

We all have super powers we just need a cape, a secret headquarters and a sidekick. In this class we'll be our own super heroes. Are you great at building mazes or secret traps? Can you paint with magic crystals or mix a secret potion? All powers unite for this week of super fun. (Ages 4-6)

INSIDE THE CAMERA

What would it be like to climb inside a camera? In this camp we will do just that all while learning the basics of photography. Make your own pinholes camera and learn to paint with light. It IS as cool as it sounds. (Ages 6-12)

DUCT TAPE DESIGN

At Great River, we are crazy about duct tape. We build wallets, shoes, bow ties, and even giant animals. Learn everything you wanted to know about duct tape sculpture and come out of this class with a whole new wardrobe made of out of TAPE. (Ages 6-12)

TEXTILES – PAINT, DYE, AND SEW

Learn about different ways to turn a plain piece of fabric into something magical. You'll learn about shibori, fabric painting, simple sewing and embroidery. (Ages 6-12)

BUILD IT, BEND IT, AND BREAK IT

Build sculptures that bend twist & climb with materials like foam, wire, wood and clay. We'll experiment in our own inventors' workshop and figure out how things move and go. (Ages 4-6)

ANCIENT ART OF SHADOW PUPPETS

Stories of dragons & dynasties will fill our days as we read about traditional folk tales from Asia, then pick one and create an amazing puppet show full of color & light. (Ages 6-12)

TREE HOUSES, TROLLS & TREASURE

Build your miniature tree house & create trolls to guard the bridge. Draw a treasure map that leads you to all the hidden jewels inside. (Ages 6-12)

MOLECULAR GASTRONOMY

...or Grossology to be exact! If you were in charge of the weirdest food what would you create? Worm Jello, ice cream in a bag? In this camp make weird and wacky food & have enough left over to bring home to your family & friends. The question is, will they be brave enough to take a bite? (Ages 6-12)

AFTERNOON CAMPS

1 PM – 4 PM

JULY 6 - 9

MORNING CAMPS

9 AM - 12 PM

WHY, WONDER, AND EXPLORE

Why is the sky blue? What are clouds made out of? What does a microscope do? How long is a ruler? This is the science & math camp designed for a mind full of questions. We love asking why and creating art and experiments. Come explore the world with us. (Ages 4-6)

GIRLS ✕ POWER TOOLS

The girl empowerment class that concentrates on building and design. Learn how to use drills, hammers, & saws all while building and inventing what you want. (Ages 6-12)

PHOTOGRAPHY ✕ PRINTMAKING

How do you view your world? Do you like to take photos upside down, or close up shots of your cat? Do Mono prints excite you? Come learn how to run a printing press and explore the world of printmaking and photography. (Ages 6-12)

MIGHTY MANGA

In Japan, people of all ages read manga. In this illustration class, we'll explore the highly stylized art of manga, creating stories, characters, and comic books to share with the world. (Ages 6-12)

YOUNG NATURALISTS

The world is filled with wonder if one takes the time to explore. This is the camp where we will do just that. Felt with wool, read books about the world, make your own paper, go on nature walks and explore all the wonders of being a naturalist. (Ages 4-6)

GRAFFITI ART ✕ SKATEBOARD DESIGN

Have you ever wanted to be a skateboard designer and create your own personal board? In this class learn about Graffiti Art & how to use spray paint, stencils and art to create a masterpiece you can ACTUALLY RIDE!!!! (Ages 6-12)

CRAZY CLAY DAYS

At Great River, we love clay. We love to smash, pinch and score. In this class, we'll learn the basics of building and working with this medium, while creating amazing creatures & treasures to take home. (Ages 6-12)

FANTASY ARCHITECTURE

Buildings can be magical, from tree houses to castles, to underground cities to bridges in space. Come explore what it means to be an architect in a whole new dimension. (Ages 6-12)

AFTERNOON CAMPS

1 PM - 4 PM

JULY 13 – 16

MORNING CAMPS

9 AM – 12 PM

UNDER THE SEA

Take a dive into the ocean and explore the world of sea creatures, sunken ships and watery arts. Build your own boats and hold the ocean in a jar. Look at all the wonderful things the sea has to offer while still living in Minnesota. (Ages 4-6)

MUSIC VIDEO MADNESS

Be the star, the writer, the director of your own music video. Pick your favorite song, design your own set and the rest is up to you. Learn the basic of filmmaking and video editing while creating a masterpiece to share with your friends. (Ages 6-12)

TINKERS UNITE

Do you have tools in your pockets? Are you always trying to figure out how & why things work? This is the camp where all the tinkers come together to invent, explore and figure out why. (Ages 6-12)

BUILD YOUR OWN CITY

Be the ruler or king of your country. Are you a monarch or a democracy? Tall buildings or houses under the sea? We'll learn all the basics of architecture by designing & building cities. Given all the power how will you rule? (Ages 6-12)

WORLD OF ART

Explore the world through art. This is the camp where we will travel in our imagination to all wonderful places like Africa, India and China. We'll create the wonderful art and even supply the passports for adventures. (Ages 4-6)

FUNKITURE

From wacky to wild we'll turn the world of furniture building upside down. Make drawers into tables, tables into chairs. Your bedroom will never look the same and you'll be the funkiest kid on the block. (Ages 4-6)

SPY CAMP

Everyone knows that the key to being a Spy is a great invention. From building bionic ears to crayon cannons to hiding all your secrets in the "deck of deception"—these are the tools that only secrets agents can use and we will teach you how. But sssshh-hhhhh, it's a secret. (Ages 6-12)

MINECRAFT GOES 3-D

Join us for the ultimate building class! Create a 3-D model of your world, build characters, transportation modes and have a model civilization to play with long after summer is done. (Ages 6-12)

AFTERNOON CAMPS

1 PM – 4 PM

JULY 20 – 23

MORNING CAMPS

9 AM – 12 PM

CAN YOU BUILD IT?

Why yes I can! The building camp where anyone can be a builder and anything is possible. The classroom is full of Legos, marble mazes, wood, clay, and more to build sculptures. Create spinning art and fly-ing mobiles. Make noise with hammers and learn the basics of architecture. (Ages 4-6)

BACKYARD BALLISTICS & CATAPULTS

Do you love to invent? From exploding water bottle rockets to mint-tin-mini catapults, come make art that explodes, moves and detonates, all while learning the basics of rocket design & projectiles. (Ages 6-12)

MAZE CRAZE

A maze is a solvable puzzle with many possibilities but only one solution. Come draw, build and construct 2-D and 3-D mazes. Build basic engineering skills, while learning the difference between traps & secret passage ways. Take home amazing structures that mystify your friends. (Ages 6-12)

CONSTRUCT/DESTRUCT

Take things apart to see how they work & then reassemble them into your own awesome inventions. Can you make a car that floats? Or a robot that swims? Take a peak inside the magical world of “inside” with a turn of a screw. (Ages 6-12)

SHARE IT, MAKE IT & TAKE IT

The summer camp that makes noise. A camp for those who wants to explore motion, sound & movement through art. We will create boats to sail, planes that soar, and learn the basics of invention. (Ages 4-6)

GLOW IN THE DARK LEGO DESIGN

A summer camp made for when the lights are out!! Paint your own set of Legos & create sculptures that only shine when the sun is down. Learn to paint with light and create your own glow in the dark super goooooo! This is definitely the summer camp for those not afraid of the dark. (Ages 6-1)

SUPER SCULPTURE

Sculptures can be big or small, kinetic (moving) or not all. We'll explore all the wonderful ways you can create in this art form from wire, clay, to foam. The spoon & cherry have nothing on us. (Ages 6-12)

GAMES GALORE

Design your own trading cards, glow-in-the-dark monopoly or an original challenge. In this camp we'll create our own board games and invite our friends & family to play. (Ages 6-12)

AFTERNOON CAMPS

1 PM – 4 PM

JULY 27 – 30

MORNING CAMPS

9 AM – 12 PM

WILD IN THE WOODS

If you love to explore the great outdoors this camp is for you. We'll play in the mud, build bug catchers, and find the wild woods in our own back yard. We'll examine habitats, build bird feeders and watch animals up close with binoculars and magnifying glasses. (Ages 4-6)

CIGAR BOX GUITARS * MORE

It's time to start building your own instruments! Put together a guitar from an old cigar box & wood. Then give it strings and frets & you'll be able to design the fine details. Build other instruments out of things others throw away and save the planet along the way! (Ages 6-12)

ANCIENT EGYPT

Have you ever wanted to mummify a Barbie or build your own Egyptian tomb full of secret traps and gold? In this class we while write in hieroglyphics and build our own canopic jars with gummy hearts, livers, and a few really long intestines. Interested? (Ages 6-12)

CARTOONING * CHARACTERS

Calling all cartoonists! Work with a professional artists to create your very own comic books. Will you be a super villain or rule the galaxy for good? Ride around in rocket ships or have gadgets for limbs. It is all up to you & your imagination. (Ages 6-12)

EZRA JACK * THE ART OF COLLAGE

We all love Ezra Jack Keats books and art!!! From Peter's Chair to Snowy Day, we'll read books, do art activities all around this amazing technique. We'll rip paper, build paper rockets ships & boats. Create crazy paper hats and learn all about this amazing artist and picture book maker. (Ages 4-6)

MASKS, MOVEMENT, * THEATER

Make a wild mask and then learn how to move in it! We will also do a variety of improv theater games to strengthen your performance abilities & create our own performances. (Ages 6-12)

MINECRAFT GOES 3-D

Join us for the ultimate building class! Create a 3-D model of your world, build characters, transportation modes and have a model civilization to play with long after summer is done. (Ages 6-12)

GIRLS * POWER TOOLS 2

A whole new week of the girl empowerment camp that gives girls the tools they need to build great things. Come explore design & construction all while using some awesome tools. (Ages 6-12)

AFTERNOON CAMPS

1 PM – 4 PM

FULL DAY CAMPS

AGES 12-14

Please note that all camps are held off site with pick up and drop offs are at Great River School. All campers should bring a lunch, full water bottle & dress for the weather.

Cost: \$300

9am-4pm

URBAN WILDERNESS CAMP

Week I - June 15-18, Week II - July 6-9, *Week III - July 27-30

From hiking to fishing the Urban Wilderness is full of a adventures this summer. In this camp we will delve into the wild places of the Twin Cities while learning about ecology, wilderness & camping survival skills. We'll cook together, observe wild life and gather scientific data, all while learning about the wonders of our area. This camp renews a relationship with the land, self and others. Programming is new each week and camps can be repeated.

*Week of July 27-30th is an Urban Wilderness Bike Week. Campers should bring a bike and helmet. A limited number are provided upon request.

THE ULTIMATE, ULTIMATE CAMP

Week I - June 22-25, Week II - June 29-July 2

The Ultimate Day Camp! We will provide an overview of the basics of the sport of ultimate Frisbee, including drills & skills for throwing, cutting, running, etc., as well as providing opportunities for scrimmages. Campers are expected to come with an open mind and enthusiasm, but no previous experience is required! Please bring running shoes and/or cleats, clothes suitable both for weather and for athletics.

FULL DAY CAMPS – CONTINUED

BIKE WORKSHOP & DISC INTRO

Week I - July 13-16

This workshop will focus on the skills that lead to fun and successful group biking. Campers can look forward to scenic day trips after learning skills like hand signals, cool inside biker lingo, and some basic bike maintenance along the way. Campers will also have the opportunity to try both ultimate and disc golf throwing with the appropriate discs (provided).

*This week long workshop should be taken before attending the Wabun Disc Golf & Biking Excursion week(s). Campers should bring a bike and helmet. A limited number are provided upon request.

WABUN DISC GOLF & BIKE EXCURSION

Week I - July 20-23, Week II - July 27-30

Combine the joy of biking with the exploration of disc golf in an all-day adventure! Each day, the group will meet @ GRS and bike over to Wabun picnic area largely via trails. We will build on disc golf throws daily, rotate through the course, bike back at the end of each day. Learn the rules, etiquette, and benefits of the game and finish up the week with a Barbecue! Campers should bring a bike and helmet. A limited number are provided upon request.
