## – President's Report –

It is a pleasure that I welcome you all to the 120th annual Korumburra & District Agricultural & Pastoral Show for 2015. We endeavour to vary the structure of the program allowing for diversity whilst keeping the traditional character of the annual show. A show could not be facilitated without the role of the Secretary, committee and volunteers who have worked tirelessly to make this event possible. I would also like to thank all the community volunteers that make the task workable as well as the stewards and judges and exhibitors for their efforts for all the sections and classes in the program. I would also like to thank sponsors with their valued underwriting to provide support, trophies and prizes across the wide spectrum exhibits on this day. It is hoped that this year's weather is much kinder than last year's extreme heat. I would like to take this opportunity to wish you all a safe and memorable show. Thank you. Doug Appleton.
