WHY THE 5-8?

Many people ask us, why do you call this place the 5-8? The answer lies in our history. The 5-8 Grill & Bar is a sister restaurant to the 5-8 Club located at 58th and Cedar in Minneapolis.

The 5-8 originally opened in 1928 as a "speakeasy" and was widely known as the 58th St. Club, located out in the country and just adjacent to the new Wold-Chamberlain Airport. Combined with its location, the fact that the building had an underground garage made it a particularly desirable "speak" Cars, their trunks filled with bottles of illegal hooch packed in burlap bags, could pull right into the underground garage and the "goods" could be taken upstairs.

When prohibition was repealed on December 5th, 1933, the 5-8 Club went "legit" and became widely known for its burgers and wide selection of beers. Over the years, customers began referring to the restaurant as the 5-8 ... Eventually it stuck.

Our goal is to serve you famous burgers, great beer and generous portions with thoughtful service. Speaking of great burgers, the Juicy Lucy recently gained national attention from the Travel Channel. In 2014, it ranked the 5-8 #1 in America for tastiest place to chow down. Time Magazine also listed the Juicy Lucy as one of the most influential burgers of all time. City Pages listed eating a Juicy Lucy at the 5-8 as #15 on its comprehensive Twin Cities bucket list, "50 Things To Do Before You Die." These important honors would not be possible without our loyal Juicy Lucy fans.
