KNOW THE BASICS

Old Testament:

New Testament:

THE BIBLE AS ONE STORY

“The Bible is a narrative, a story of redemption and its chief character is Jesus Christ. *He* is the main theme of the narrative, and he is revealed in every passage in the book. This story reveals how God harnessed nature and controlled history to send his Son to rescue rebellious, foolish, and self-focused men and women. He freed them from bondage to themselves, enabled them to live for his glory, and gifted them with an eternity in his presence, far from the harsh realities of the Fall.”

“The gospel is so valuable that no risk is unreasonable. Life is gained by laying it down for the gospel. If I live, I win and get to keep on preaching Christ. If I die, I win bigger by going directly to be with Christ...” - **David Sitton**, from *Reckless Abandon*
