ONE WELLNESS

SOLARA RESORT & SPA CANMORE

One Wellness Personalized Facial

When you're madly in love, when you're laughing uncontrollably, when you're overcome by beauty — these are the moments when you're glowing from the inside out. Let us inspire that healthy, radiant you.

We'll assess your skin and based on your needs provide multi-stage cleansing, a prescriptive peel (if it makes sense for you), a truly renewing facial massage, a custom mask and moisture, moisture, moisture to combat Canmore's dry, mountain air. Our 90-minute service customizes attention to cleansing, neck and scalp massage.

60 minutes \$165 90 minutes \$225

Spa Manicure

We've elevated nails to an art form. Starting with meticulous grooming and shaping we then proceed with a softening scrub, a lux treatment serum and mask (as fabulous as our facials), paraffin treatment and, everyone's favorite, a massage. Finished with gorgeous color or buffing, you're ready to show off that fabulous new ring.

45 minutes \$55

Spa Pedicure

With weddings, as in life, it's the small details that count. We create super-soft soles and sparkling toes. Like our Spa Manicure, the feet we treat go through a rigorous cleaning and exfoliation to prepare for corrective treatment and mask. After hydrating paraffin, a luxurious leg and foot massage and cameraready polish application, it's time to step into our strappy shoes

60 minutes \$75

Nature's Hydration Body Polish and Wrap

We'll exfoliate old, dry skin away to make room for deep hydration. We'll wrap you in a nourishing body mask. Our mission is to restore the elasticity and renew your natural glow. Our massage will get the your blood flowing, but it's the rich warm products brought to you by Mother Nature, that make the difference in this treatment.

60 minutes \$145 90 minutes \$215

One Wellness Personalized Massage

We know a thing or two about weddings. They're great fun, great food and drink, and a great time to cut a rug. There's romance, old friends, a lot of family and, yes, we've known a wedding or two that were stressful.

No problem, here's where we come in. We listen to you, notice where you hold tension, observe your breathing and assess your skin and muscular cues. We work with you and your body to release tension, address imbalances, and restore you to a state of harmony and balance.

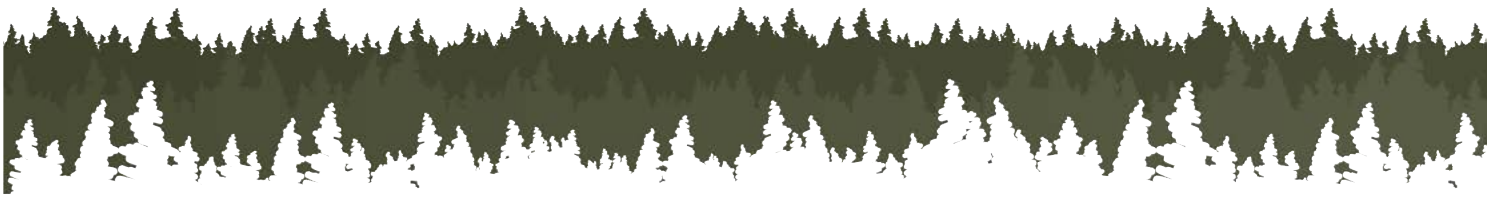

60 minutes \$135 90 minutes \$195

Hair & Make-up Services

Bridal and event up-dos and make-up application services are available upon request. We provide introduction to a local salon and are happy to make recommendations

In order to relax and get the paperwork out of the way before your treatment, please come in 15 minutes early and enjoy a cup of herbal tea or cleansing citrus water. Stuff happens, if you have to cancel for any reason, please do so at least 24 hours in advance to avoid being charged. If you'd like to make a change, that's ok too, just let us know 24 hours before your service so we can shuffle things 'round.

If you've got a group booking for 6 or more people and need to cancel please let us know at least 10 days before the first booking so we can give another group an opportunity to book in.

Bellstar Canmore Policies

Guest Room Deposit

Bellstar Hotels & Resorts offers all wedding couples two options for guest accommodations.

Bellstar will give each wedding couple a discount off our best available rate for your guests which will be honoured up to 45 days prior to your arrival date. Your guests will be booking from resort inventory on a first come first serve basis under your wedding group name. Guests can choose from one or all of our resorts.

Alternatively, wedding couples are able to set aside a contracted Group Block for their wedding guests. A contract can be negotiated for a preferred group rate and limited amount of inventory. Each wedding couple is responsible for all unused rooms in a contracted Group Block. A 25% deposit of the total room revenue is required at time of contract signing and each wedding couple will be responsible for the entire pick up of all unused inventory, 30 days prior to group's arrival date. In the event any units go unused and if the deposit is less than the total revenue amount owing, the credit card on file will be charged the difference. If a refund is required, this will be taken care of upon departure.

For more information on group guest room blocks, please contact our Group Sales Manager at 403.695.3454 or by email at sales@bellstar.ca.

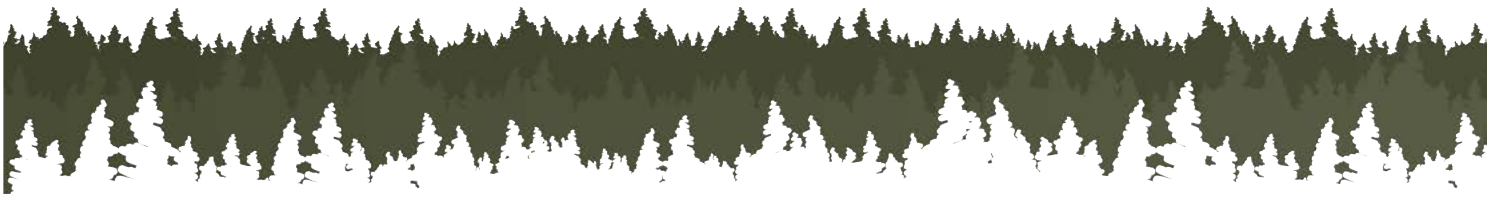

If the wedding ceremony is scheduled prior to 5pm we strongly advise that you book the day prior as we cannot guarantee check in prior to 4pm.

Individual Payment: All individual reservations require the payment of the first night's room and tax at time of reservation.

Group or Master Account Payment: Group Blocks having all accommodations charged to one bill need to secure the booking with a deposit for the first night's room and tax for each room in the block at the time of signing the contract. The remaining balance is due 30 days prior to group arrival.

Celebration Space Deposit: A non-refundable deposit is required at time of contract signing in order to confirm Celebration Space. This deposit will be applied to the final bill. This is in addition to your accommodation deposit.

Contingency Planning for Weather: For outdoor ceremonies and receptions, Bellstar's Canmore properties are not responsible for change of venue for outdoor ceremonies and/or receptions in case of bad weather. Please have a contingency plan in place.
