

**Australia
& New Zealand
Society
of
Neuroradiology**

**Annual Scientific Meeting
11-13 March, 2016**

Provisional Programme

Friday 11th March, 2016

7.30 - 8.15 Registration & Light breakfast

8.15 - 8.30 Introduction and Welcome

Jason Wenderoth, Geoffrey Parker & Andy Whyte

Concurrent Sessions

Stroke & AV Shunts

8.30 - 8.50 Optimisation of Case Selection in Mechanical Thromectomy

Ronil Chandra

8.55 - 9.15 Is there a role for suction thrombectomy in acute LVO?

Ben McGuinness

9.20 - 9.40 DMSO-based Liquid Embolics in DAVF: 13 years later

Jason Wenderoth

9.45 - 10.05 Review of EVT for Paediatric AV shunting lesions

TBC

10.10 - 10.30 Morning Tea and Industry Exhibition (Barrington Room)

Diagnostic Neuro Session

8.40 - 9.00 Gadolinium toxicity - Current status

Andrew Baird

9.00 - 9.20 Machine learning in Neuroradiology

Laughlin Dawes

9.20 - 9.40 MRI of Cerebral Haemorrhage

Marc Agzarian

9.40 - 10.00 Spine at 3T

Ben Kennedy

Concurrent Sessions

Aneurysm Session

10.30 - 11.00 Clopidogrel, Prasugrel, Ticagrelor: pros and cons

A Cheung

11.00 - 11.30 Strategies for Ruptured and Unruptured MCA aneurysms

T. Phillips

11.30 - 12.00 Technical Equipoise for the Dual Trained Operator

R. Allan

12.00 - 12.30 Has flow diversion lived up to its early promise?

Will McAuliffe

Sinonasal Session

10.30 - 11.00 Paranasal sinus anatomy

Andy Whyte

11.00 - 11.30 Inflammatory disease of the paranasal sinuses

Sunil Kaniyur

11.30 - 12.00 The Sinonasal - Skull Base Interface

Steve Connor

12.00 - 12.30 Sinonasal : clinical issues and surgical approach (title to be updated)

Richard Harvey

Friday 11th March, 2016 cont

12.30 - 13.30 Lunch & Industry Exhibition (Barrington Room)

Concurrent Session

Admin Session

13.30 - 14.00 Training and Certification in INR procedures

A. Coulthard

14.00 - 14.30 Process and approach to MBS funding for INR items

John Gillespie

14.30 - 15.30 Fellow Presentations x4/5 (10 min each)

15.30 - 17.00 Fellows' Round Table - training issues, case discussion

H&N Cancer Session

13.30 - 14.00 Multimodality Imaging of Head and Neck Cancer

Ann King

14.00 - 14.30 Imaging anatomy and carcinoma of the oral cavity

Pramit Phal

14.30 - 15.00 Imaging of oropharyngeal carcinoma: an epidemic

Ziyad Khaleel

15.00 - 15.30 Nasopharyngeal carcinoma: a review

Ann King

Conclusion of Day 1

7.00pm BBQ Banquet - Fairway Lawns

Saturday 12th March, 2016

Concurrent Session

Diagnostic Neuro Session (Vascular)

8.30 - 9.00 Implications of stroke trials for diagnostic neuroradiologists and registrars

Peter Mitchell

9.00 - 9.45 Fibromuscular Disease

Con Phatouros

9.45 - 10.10 Non-invasive Imaging Evaluation of IIH

Geoff Parker

10.10 - 10.30 Non-invasive assessment of treated and untreated aneurysms

Brendan Steinfert

10.30 - 10.50

Morning Tea and Industry Exhibition (Barrington Room)

Diagnostic Neuro Session (Degen)

10.50 - 11.20 Imaging-Operative Correlation in the Degenerative Spine

R. Allan

11.20 - 11.50 Imaging in minor cognitive impairment

Joga Chaganti

11.50 - 12.20 Concussion and trauma

Mike Bynevelt

12.20 - 13.00

Lunch & Industry Exhibition (Barrington Room)

H&N Cancer T-Bone

8.30 - 9.00 Temporal bone anatomy

Rudolf Boeddinghaus

9.00 - 9.30 Middle ear inflammatory disease

Steve Connor

9.30 - 10.00 Conductive hearing loss

Rudolf Boeddinghaus

10.00 - 10.30 Sensorineural hearing loss

Steve Connor

H&N Cancer T-Bone

10.50 - 11.20 Imaging of the maxilla

Andy Whyte

11.20 - 11.50 Imaging of the mandible

Rudolf Boeddinghaus

11.50 - 12.20 Imaging of the TMJ

Andy Whyte

Saturday 12th March, 2016 cont.

Combined Session - Post Cranial Fossa and Skull Base

13.00 - 13.30 Cerebellopontine angle cistern, internal auditory canal and petrous apex

Steve Connor

13.30 - 14.00 Anatomy and pathology of the posterior skull base

Sandeep Bhuta

14.00 - 14.30 Approaches to sphenoclivar, petrous apex and petrocavernous pathology

Richard Harvey

14.30 - 15.00 Imaging of the post operative skull base

Jen Sommerville

15.00-17.00 ANZSNR AGM (Members only)

Conclusion of Day 2

7.00pm for 7.30pm Conference Dinner - Founders' Room

Sunday 13th March, 2016

Concurrent Session

Diagnostic Neuro Session (Inflammatory)

8.30 - 9.00 Neurologic manifestations of haematologic disease

Mike Bynelvelt

9.00 - 9.30 Viral Encephalitides

Laughlin Dawes

9.30 - 10.00 Myelopathy I

Scott Davies

10.00 - 10.30 Myelopathy II

Scott Davies

10.30 - 10.50

Morning Tea and Industry Exhibition (Barrington Room)

Combined Session - Cranial Nerves V & VII - Facial Pain

10.50 - 11.20 Imaging Anatomy of the Vth and VIIth Cranial Nerves

Robin Cassumbhoy

11.20 - 11.50 Pathology of the Vth and VIIth cranial nerves

Randall Jones

11.50 - 12.20 Perineural tumour spread from head and neck cancer

Mitesh Ghandi

12.20 - 12.50 Peripheral and referred causes of facial pain

Andy Whyte

12.20 - 13.00 Closing remarks

13.00

Lunch (Barrington Room)

Conclusion of the Meeting

Neck Session

8.30 - 9.00 Imaging of head and neck lymphoma

Ann King

9.00 - 9.30 Manifestations of IgG4 disease in the Head and Neck

Andrew Thompson

9.30 - 10.00 Imaging of benign neck lesions

Ziyad Khaleel

10.00 - 10.30 Imaging of the thyroid

Rudolf Boeddinghaus
