

DESNA, UKRAINE 3rd Quarter 2011 Report

Summer 2011

Dear Friends!

The leaders of our church wanted to improve the fellowship among people who attend our services. And to give people the opportunity to spend more time in a place where they could pray, could praise the Lord, and spend time fellowship. Since it's summer, we decided to hold a church camp at a lake not far from Desna. We announced the plan to the church; with great pleasure everyone agreed how nice it would be to spend time in fellowship. Especially those couples in which there is an unbeliever spouse were delighted, thinking that this will toward their spouse coming to the Lord. We decided that we will sleep in tents, grill outdoors, as well as make an evening campfire. It would be a time to praise the Lord. It is also able serve as a time in which to motivate one another to improve a personal relationships with God.

The camp was held for three days. Twenty-five people turned out for it. It was a special time for all.

It was the first time that my wife and I had been to such a camp; for us it was an unforgettable time. I want that to my wife to come to the Lord, so that we together can grow spiritually. So thanks to the church, which has arranged for us this holiday.

I did not want to leave. I cannot forget how we sat near the fire with a guitar singing psalms. When we got home, my husband commented on how nice it was to relax without liquor.
