This year at Winterfest we are asking everyone to bring a toy to donate to a brand new nonprofit organization in Chicago called Cradles to Crayons. Cradles to Crayons provides children from birth through age 12, living in homeless or low-income situations, with the essential items they need to thrive - at home, at school and at play.

Please help support this local organization by donating a toy that they will give to a Chicago child in need. Donation boxes will be set up on the 1st floor inside the gym near the Photos with Santa and 2nd floor near Snowflake Cafe. Thank you!
